Safety Instruction Guide for MICRO FIGHT REPLACEMENT BUCKLES

Introduction

Thank you for choosing the MICRO FIGHT REPLACEMENT BUCKLES by Spiritus Systems. This guide provides essential safety instructions to ensure the safe use and maintenance of your replacement buckles. Please read this guide carefully before using the product.

General Safety Guidelines

- Ensure that the product is used according to the intended purpose.
- Regularly inspect the buckles for any signs of wear or damage before each use.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe conditions or accidents to the relevant authorities.
- Stay informed about product recalls and safety updates by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Potential Hazards:**
 - Improper installation may lead to equipment failure.
 - Damaged or worn buckles may not secure correctly, posing a risk of injury.
- **Avoiding Hazards:**
 - Always ensure that the buckles are properly secured before use.
 - Do not exceed the recommended weight limit for the buckles.
 - Avoid using the buckles in extreme temperatures or conditions that may compromise their integrity.

Instructions for Installation and Usage

1. Installation:

- Remove the existing buckles from your equipment.
- Align the replacement buckle with the mounting point.
- Secure the buckle in place, ensuring it is tightly attached and does not move.
- Doublecheck that the buckle is properly installed before use.

2. Usage:

- Attach the buckles to compatible equipment such as the Micro Fight Chest Rig, LV Placard 5.56, COVERT Plate Bags, or OVERT Plate Bags.
- Ensure that the buckles are fully engaged and locked before relying on them for support.
- Regularly check the buckles during use for any signs of wear or malfunction.

Disposal Instructions

- Dispose of any damaged or worn buckles responsibly.
- Follow local regulations for the disposal of plastic products.
- Do not dispose of the buckles in regular household waste if they can be recycled.

Contact Information for Further Support

For any inquiries regarding safety or product support, please contact the manufacturer directly. Ensure to have your product details ready for reference.

Thank you for your attention to these safety instructions. Your safety is our priority.
