

THING 2 - SPIRITUS SYSTEMS THING 2 - BLACK

[Shooting Accessories](#) > [Tactical Gear](#) > [Chest Rigs](#)

Thing 2 The Spiritus Systems Thing 2 answers the call for end users who need to carry more. Expanding on the incredible modularity of the Micro Fight Chest Rig, The THING 2 allows for the rapid expansion to cover longer duration mission profiles. Using a 500d/1000d Fused laminate married to a Woven Polypropylene Laminate Sheeting we have created a lightweight, hydrophobic and efficient design that is rigid for load bearing excellence. Each side of The Thing 2 has a Rigid 3 Column MOLLE filed for attaching pouches of your choice. On the back side of each MOLLE field there are built in radio/magazine pouches. A Velcro field and retaining loops make attaching your Placard or your Micro Fight Chest Rig simple and fast. This allows for hot swapping of your primary load out from a chest rig to your plate carrier. The retaining loops also serve as tie down points for mission critical equipment. The rear of The Thing 2 has a Velcro lined slot for accepting sub load pouches such as the SACK or Lunchbox. The Thing 2 can accept most placard style systems on the market. Velcro attachment Dimensions 9 1/2 " x 5" Dimensions (Approximate) Height 6" x Width 19" x Depth 2" NOTE: The Thing 2 is part of the Micro Fight Chest Rig System. This item does not include the Micro Fight Mk 4 Chassis, Shoulder Strap, Back Strap, magazine inserts, or any other accessories. Note: This product may be shown with optional accessories. Safety Instruction Guide for THING 2 SPIRITUS SYSTEMS THING 2 BLACK

Introduction

Thank you for choosing the THING 2 by Spiritus Systems. This product is designed to enhance your carrying capabilities during various mission profiles. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

To ensure your safety and the optimal performance of the THING 2, please adhere to the following guidelines:

- **Product Safety:** This product has been designed to meet safety standards for nonfood items. Always ensure that you use the product as intended.
- **Enhanced Recalls:** Stay informed about any recalls or safety notices related to this product. You can find updates on the EU's Safety Gate platform.
- **Online Shopping:** If purchased online, ensure that the retailer complies with safety standards.
- **Special Consumer Focus:** This product is not intended for use by children. Ensure that it is kept out of reach of minors.
- **EU Contact Point:** For safety inquiries, please refer to an EU-based contact point associated with this product.
- **Rapid Alerts:** Be aware of the Safety Gate system, which provides updates on unsafe products.

Specific Safety Precautions for Use

When using the THING 2, follow these specific safety precautions:

- **Check for Damage:** Before use, inspect the product for any signs of damage or wear. Do not use if damaged.
- **Proper Fit:** Ensure that the THING 2 fits securely to prevent accidental detachment during use.
- **Weight Distribution:** Distribute weight evenly across the MOLLE fields to maintain balance and comfort.
- **Hot Swapping:** When swapping from a chest rig to a plate carrier, ensure that all attachments are securely fastened.
- **Radio and Magazine Pouches:** Use the built-in pouches only for their intended purpose to avoid equipment loss.
- **Avoid Overloading:** Do not exceed the recommended weight limit for the product to maintain structural integrity.

Instructions for Installation and Usage

To ensure proper installation and usage of the THING 2, follow these steps:

1. **Unpacking:** Carefully remove the THING 2 from its packaging and lay it flat on a clean surface.
2. **Attachment of Pouches:**
 - Locate the Rigid 3 Column MOLLE fields on each side.
 - Attach pouches by threading the MOLLE straps through the slots of the pouches and securing them tightly.
3. **Attaching the Placard:**
 - Use the Velcro field to attach your placard or Micro Fight Chest Rig.

- Ensure that the Velcro is fully engaged to prevent accidental detachment.

4. **Using the Retaining Loops:**

- Utilize the retaining loops for securing missioncritical equipment.
- Tie down any loose straps to prevent snagging.

5. **Sub Load Pouches:**

- Insert compatible sub load pouches such as the SACK or Lunchbox into the Velcro lined slot at the rear.
- Ensure that the pouches are securely fastened.

6. **Final Check:**

- Before use, ensure that all attachments are secure and that the product is adjusted for comfort.

Disposal Instructions

When the THING 2 reaches the end of its life cycle, please follow these disposal instructions:

- **Material Recycling:** Check local regulations for recycling options for synthetic materials.
- **Safe Disposal:** If recycling is not an option, dispose of the product in accordance with local waste disposal regulations.
- **Environmental Consideration:** Do not burn the product as it may release harmful substances.

Contact Information for Further Support

For any questions or concerns regarding the THING 2, please refer to the contact information provided by your retailer or manufacturer. Ensure you have your purchase details handy for assistance.

By following these safety instructions, you can ensure a safe and effective experience with the THING 2 by Spiritus Systems. Thank you for your attention to safety!
