

JSTA POUCH - SPIRITUS SYSTEMS JSTA POUCH - MULTICAM BLACK

[Shooting Accessories](#) > [Duty Gear](#) > [Pouches](#)

The JSTA Pouch was designed as a space saving solution for battle belts and other platforms with MOLLE mounting points. The pouch features two inline stacked compartments that allow the end user to combine their magazine holders with a GP pouch in a small form factor. The inner sleeve is lined with Velcro loop fields that will accept the following Spiritus Systems magazine inserts: 1x 5.56 Single Rifle Insert 1x 7.62 Single Rifle Insert 1x Single Pistol Insert 1x Double Pistol Insert 1x 5.56 Single Rifle Insert + 1x Single Pistol Insert The outer pouch is built with a quick-open Velcro flap, and has two compartments. The primary compartment features a Velcro loop field that will accommodate the following Spiritus Systems Utility Inserts Shotgun/CR123 Battery Insert Chemlight / AA Battery Insert 3 Loop Pouch Insert The secondary compartment can function as either as admin storage for smaller items or additional spill over from the main compartment. If the outer GP pouch is empty, the pouch is designed to lay extremely flat against the body. This reduces the pouch's snag hazard when not in use. The JSTA can either be mounted to a belt through the integrated belt loops, or with MOLLE webbing. The pouch requires 3 rows & 3 columns of MOLLE to be properly mounted and has a footprint similar to the Spiritus Systems Small GP Pouch. Outside of belt mounted configurations, the JSTA is a great alternative to a small GP for flanking a Micro Fight on the Thing 2 Chassis. It can also be mounted to an LV/119 MOLLE Cummerbund. NOTE: The JSTA pouch does not include any accessories. All Velcro inserts are sold separately.

Attributes

- Name: [SPIRITUS SYSTEMS JSTA POUCH - MULTICAM BLACK](#)

JSTA Pouch Safety Instruction Guide

Introduction

Thank you for choosing the JSTA Pouch by Spiritus Systems. This safety instruction guide provides important information regarding the safe use, installation, and disposal of the product. Please read this guide thoroughly to ensure your safety and the proper functioning of the pouch.

General Safety Guidelines

- Ensure safe use of the JSTA Pouch by following all instructions provided in this guide.
- Be aware of potential hazards associated with improper use or installation of the pouch.
- Always use the pouch as intended, according to the manufacturer's specifications.
- Keep the pouch out of reach of children and vulnerable individuals when not in use.
- Report any unsafe conditions or accidents related to the pouch to the relevant authorities.

Specific Safety Precautions for Use

- Do not overload the pouch beyond its intended capacity.
- Ensure that the pouch is securely mounted to avoid accidental detachment during use.
- Check for wear and tear regularly; replace the pouch if any damage is found.
- Avoid exposing the pouch to extreme temperatures or harsh chemicals that may degrade the material.
- If using the pouch in conjunction with other equipment, ensure compatibility to prevent hazards.

Instructions for Installation and Usage

1. Mounting the Pouch:

- The JSTA Pouch can be mounted using the integrated belt loops or MOLLE webbing.
- Ensure that three rows and three columns of MOLLE are available for proper mounting.
- If using belt loops, slide the pouch onto the belt until it is secure.

2. Loading the Pouch:

- Open the quickopen Velcro flap to access the compartments.
- Load magazines or inserts into the designated compartments, ensuring they fit securely.
- For the primary compartment, utilize the Velcro loop field for Spiritus Systems Utility Inserts as needed.
- Do not exceed the recommended number of inserts to maintain pouch integrity.

3. Using the Pouch:

- When empty, the pouch is designed to lay flat against the body, reducing snag hazards.
- If using the pouch for admin storage, ensure smaller items are secured to prevent spillage.
- Always check that the Velcro flap is closed properly before movement.

Disposal Instructions

- Dispose of the JSTA Pouch in accordance with local regulations for textile and plastic waste.
- If the pouch is damaged beyond repair, consider recycling the materials if possible.
- Do not incinerate the pouch as it may release harmful fumes.

Contact Information for Further Support

For any inquiries regarding safety, usage, or support, please refer to the manufacturer's contact information provided with your product. Always keep this guide for future reference.

Thank you for your attention to these safety instructions. Enjoy the benefits of your JSTA Pouch while ensuring your safety and the safety of others.
