

SIDE ARMOR BAGS - SPIRITUS SYSTEMS SIDE ARMOR BAGS - MULTICAM ARID

[Home](#)

Side Armor Bags The Spiritus Systems Side Armor Bags are modular in design and allow for the use of hard armor plates, soft armor inserts (with the addition of one of Spiritus Side Armor Bag Caps), or both hard and soft armor at the same time. The bags were built with an offset MOLLE configuration, which allows the user to wear the plates as far forward on the cummerbund as possible. Wearing your side armor as far forward allows for side plate to front plate contact and closes a small gap in protection left over by traditional side armor systems currently on the market. Side Armor Bags are compatible with MOLLE cummerbunds and will not work with elastic cummerbunds. Plate Fitment: The Spiritus Systems Side Armor Bags are built with stretch materials to accommodate 6" x 6" hard armor plates up to 1" thick in a standalone configuration. The use of soft armor inserts requires the addition of our Side Armor Bag Caps which can then accommodate 5" x 7" to 5"x 14" rectangular soft armor inserts. Sold as a set of two Armor bags. Note: This component is an optional accessory to the Spiritus Systems LV/119 Plate Carrier system. Plate carrier and all other components are sold separately. This product may be shown with optional accessories. Made in the USA

Safety Instruction Guide for Spiritus Systems Side Armor Bags

Introduction

Thank you for choosing the Spiritus Systems Side Armor Bags. These bags are designed to enhance your protection while ensuring comfort and convenience. Please read this safety instruction guide carefully to understand how to use the product safely and effectively.

General Safety Guidelines

- Ensure the Side Armor Bags are compatible with your existing MOLLE cummerbunds. These bags will not work with elastic cummerbunds.
- Always inspect the Side Armor Bags for any signs of damage before use. Do not use damaged bags.
- Follow the manufacturer's instructions regarding the installation and use of hard armor plates and soft armor inserts.
- Keep the product out of reach of children and vulnerable individuals unless they are being supervised by a responsible adult.
- In case of any safety concerns or accidents, report them to the relevant authorities and check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Compatibility:** Only use the Side Armor Bags with approved armor plates and inserts. Ensure that the dimensions of the plates fit within the specified sizes (6" x 6" for hard armor plates and 5" x 7" to 5" x 14" for soft armor inserts).
- **Installation of Armor Plates:** When installing hard armor plates, ensure they are securely placed within the bags to prevent movement during use.
- **Wearing the Armor Bags:** Always wear the Side Armor Bags in the recommended position on the cummerbund for optimal protection. The plates should be worn as far forward as possible to close any gaps in protection.
- **Weight Distribution:** Be mindful of the weight of the armor plates and inserts. Ensure that they do not cause discomfort or impede mobility.
- **Environmental Considerations:** Avoid using the Side Armor Bags in extreme conditions that may affect the integrity of the armor plates or inserts.

Instructions for Installation and Usage

1. Installation of Armor Plates:

- Open the Side Armor Bags.
- Insert the hard armor plates into the designated compartments, ensuring they fit snugly and securely.
- If using soft armor inserts, attach the Side Armor Bag Caps as per the instructions and insert the soft armor into the bags.

2. Wearing the Side Armor Bags:

- Attach the Side Armor Bags to your MOLLE cummerbund.
- Adjust the position of the bags to ensure they are as far forward as possible for maximum protection.
- Securely fasten the cummerbund to ensure a snug fit.

3. Maintenance:

- Regularly check the Side Armor Bags for wear and tear.
- Clean the bags according to the manufacturer's recommendations to maintain their integrity and appearance.

Disposal Instructions

- Dispose of the Side Armor Bags in accordance with local regulations.
- If the bags are damaged or no longer needed, do not throw them in regular waste. Instead, consult local waste management services for proper disposal methods.

Contact Information for Further Support

For any inquiries or concerns regarding the Spiritus Systems Side Armor Bags, please reach out to your retailer or the manufacturer directly. They can provide the necessary support and information regarding safety, maintenance, and product usage.

Thank you for prioritizing safety and protection with the Spiritus Systems Side Armor Bags. Your wellbeing is our top priority.
