

SIDE ARMOR BAGS - SPIRITUS SYSTEMS SIDE ARMOR BAGS - MULTICAM BLACK

[Home](#)

Side Armor Bags The Spiritus Systems Side Armor Bags are modular in design and allow for the use of hard armor plates, soft armor inserts (with the addition of one of Spiritus Side Armor Bag Caps), or both hard and soft armor at the same time. The bags were built with an offset MOLLE configuration, which allows the user to wear the plates as far forward on the cummerbund as possible. Wearing your side armor as far forward allows for side plate to front plate contact and closes a small gap in protection left over by traditional side armor systems currently on the market. Side Armor Bags are compatible with MOLLE cummerbunds and will not work with elastic cummerbunds. Plate Fitment: The Spiritus Systems Side Armor Bags are built with stretch materials to accommodate 6" x 6" hard armor plates up to 1" thick in a standalone configuration. The use of soft armor inserts requires the addition of our Side Armor Bag Caps which can then accommodate 5" x 7" to 5"x 14" rectangular soft armor inserts. Sold as a set of two Armor bags. Note: This component is an optional accessory to the Spiritus Systems LV/119 Plate Carrier system. Plate carrier and all other components are sold separately. This product may be shown with optional accessories. Made in the USA

Attributes

- Name: [SPIRITUS SYSTEMS SIDE ARMOR BAGS - MULTICAM BLACK](#)

Safety Instruction Guide for Spiritus Systems Side Armor Bags

Introduction

Thank you for choosing the Spiritus Systems Side Armor Bags. This guide provides essential safety information and instructions for the proper use of the product. Please read this guide carefully to ensure safe and effective use.

General Safety Guidelines

- Ensure that the Side Armor Bags are used only for their intended purpose.
- Regularly inspect the bags for any signs of damage or wear before use.
- Do not use the Side Armor Bags if they show any signs of damage or if the armor plates are compromised.
- Keep the bags away from children and vulnerable individuals unless they are being used under adult supervision.
- Be aware of your surroundings and avoid situations where the bags may not provide adequate protection.
- Report any unsafe products or incidents to the relevant authorities.

Specific Safety Precautions for Use

- Always ensure that armor plates are properly fitted into the Side Armor Bags.
- Do not exceed the recommended dimensions for armor plates: 6" x 6" for hard armor and 5" x 7" to 5"x 14" for soft armor inserts.
- Ensure that the Side Armor Bags are secured to the MOLLE cummerbund correctly to prevent accidental detachment.
- Avoid using the Side Armor Bags with elastic cummerbunds as they are not compatible.
- Be cautious when wearing the bags in environments where they may become entangled or snagged.

Instructions for Installation and Usage

1. Installation of Armor Plates

- Open the Side Armor Bags by accessing the main compartment.
- Insert the hard armor plates into the designated pockets, ensuring they fit securely.
- If using soft armor inserts, attach the Side Armor Bag Caps as per the manufacturer's instructions, then insert the soft armor.

2. Securing to Cummerbund

- Locate the MOLLE webbing on your cummerbund.
- Thread the Side Armor Bags through the MOLLE webbing, ensuring they are positioned as far forward as possible.
- Secure the bags tightly to prevent movement during use.

3. Wearing the Side Armor Bags

- Adjust the cummerbund for a snug fit around your torso.
- Ensure that the armor plates are in contact with your body for optimal protection.
- Check that there is no obstruction to movement and that the bags do not interfere with other gear.

Disposal Instructions

- Dispose of the Side Armor Bags in accordance with local regulations regarding textile and plastic waste.
- If the bags or armor plates are damaged beyond repair, consider recycling options where available.
- Do not incinerate the product as it may release harmful substances.

Contact Information for Further Support

For any inquiries regarding safety, usage, or maintenance of the Spiritus Systems Side Armor Bags, please consult the official website or contact the designated support services.

Thank you for prioritizing safety and for choosing Spiritus Systems.
