

SIDE ARMOR BAGS - SPIRITUS SYSTEMS SIDE ARMOR BAGS - MULTICAM

[Home](#)

Side Armor Bags The Spiritus Systems Side Armor Bags are modular in design and allow for the use of hard armor plates, soft armor inserts (with the addition of one of Spiritus Side Armor Bag Caps), or both hard and soft armor at the same time. The bags were built with an offset MOLLE configuration, which allows the user to wear the plates as far forward on the cummerbund as possible. Wearing your side armor as far forward allows for side plate to front plate contact and closes a small gap in protection left over by traditional side armor systems currently on the market. Side Armor Bags are compatible with MOLLE cummerbunds and will not work with elastic cummerbunds. Plate Fitment: The Spiritus Systems Side Armor Bags are built with stretch materials to accommodate 6" x 6" hard armor plates up to 1" thick in a standalone configuration. The use of soft armor inserts requires the addition of our Side Armor Bag Caps which can then accommodate 5" x 7" to 5"x 14" rectangular soft armor inserts. Sold as a set of two Armor bags. Note: This component is an optional accessory to the Spiritus Systems LV/119 Plate Carrier system. Plate carrier and all other components are sold separately. This product may be shown with optional accessories. Made in the USA

Safety Instruction Guide for Spiritus Systems Side Armor Bags

Introduction

Thank you for choosing the Spiritus Systems Side Armor Bags. These modular bags are designed to enhance your protective gear with the option to use hard armor plates, soft armor inserts, or both. This guide provides essential safety instructions and guidelines to ensure safe and effective use of the product. Please read this document carefully before use.

General Safety Guidelines

- Always ensure that the Side Armor Bags are properly secured and fitted to your body before use.
- Regularly inspect the bags for any signs of wear or damage. Do not use if damaged.
- Ensure that the armor plates or inserts are compatible with the Side Armor Bags as specified in the product description.
- Keep the Side Armor Bags away from extreme heat, moisture, and corrosive substances.
- Store the bags in a cool, dry place when not in use.
- Follow all local laws and regulations regarding the use of body armor.

Specific Safety Precautions for Use

- **Compatibility:** Ensure that you are using the Side Armor Bags with a compatible MOLLE cummerbund. They are not designed for use with elastic cummerbunds.
- **Plate Fitment:** The Side Armor Bags accommodate hard armor plates measuring 6" x 6" and up to 1" thick. Ensure proper fit to avoid movement during activities.
- **Soft Armor Inserts:** If using soft armor inserts, ensure to attach the Side Armor Bag Caps for proper fitment of inserts measuring between 5" x 7" and 5" x 14".
- **Vulnerable Groups:** This product is not designed for use by children. Ensure that it is used only by individuals who meet the necessary physical requirements for wearing body armor.
- **Emergency Situations:** In case of an emergency, remove the armor bags and seek immediate medical assistance if needed.

Instructions for Installation and Usage

1. Installation of Armor Plates:

- Open the Side Armor Bags by unfastening the closure.
- Insert the hard armor plates into the designated compartments, ensuring they fit snugly.
- If using soft armor inserts, attach the Side Armor Bag Caps first, then insert the soft armor.
- Securely close the bags to ensure the plates do not shift during use.

2. Wearing the Side Armor Bags:

- Adjust the MOLLE cummerbund to fit comfortably around your waist.
- Position the Side Armor Bags as far forward on the cummerbund as possible to maximize protection.
- Ensure that the bags are securely fastened and that there is no excessive movement.

3. Regular Maintenance:

- Clean the exterior of the bags with a damp cloth. Do not use harsh chemicals.
- Inspect the bags and armor plates regularly for any signs of damage or wear. Replace any

damaged components immediately.

Disposal Instructions

- Dispose of the Side Armor Bags in accordance with local regulations for textile and plastic waste.
- If the bags are damaged beyond repair, consider recycling materials where possible.
- Do not incinerate the bags as this may release harmful substances.

Contact Information for Further Support

For safety inquiries or additional support, please refer to the product packaging or visit the manufacturer's website for more information.

By following these safety guidelines and instructions, you can ensure the effective and safe use of your Spiritus Systems Side Armor Bags. Thank you for your attention to safety.
