

SIDE ARMOR BAGS - MULTICAM TROPIC

[Home](#)

Side Armor Bags The Spiritus Systems Side Armor Bags are modular in design and allow for the use of hard armor plates, soft armor inserts (with the addition of one of Spiritus Side Armor Bag Caps), or both hard and soft armor at the same time. The bags were built with an offset MOLLE configuration, which allows the user to wear the plates as far forward on the cummerbund as possible. Wearing your side armor as far forward allows for side plate to front plate contact and closes a small gap in protection left over by traditional side armor systems currently on the market. Side Armor Bags are compatible with MOLLE cummerbunds and will not work with elastic cummerbunds. Plate Fitment: The Spiritus Systems Side Armor Bags are built with stretch materials to accommodate 6" x 6" hard armor plates up to 1" thick in a standalone configuration. The use of soft armor inserts requires the addition of our Side Armor Bag Caps which can then accommodate 5" x 7" to 5"x 14" rectangular soft armor inserts. Sold as a set of two Armor bags. Note: This component is an optional accessory to the Spiritus Systems LV/119 Plate Carrier system. Plate carrier and all other components are sold separately. This product may be shown with optional accessories. Made in the USA

Safety Instruction Guide for Side Armor Bags Multicam Tropic

Introduction

Thank you for choosing the Spiritus Systems Side Armor Bags. This product is designed to enhance your protection while maintaining comfort and mobility. Please read this safety instruction guide carefully to ensure safe use and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that you are using the Side Armor Bags in accordance with the provided instructions.
- Always inspect the bags for any damage before use.
- Keep the bags away from sharp objects to prevent punctures or tears.
- Do not use the bags if they show signs of wear or damage.
- Store the bags in a cool, dry place away from direct sunlight.
- If you have any questions or concerns about the product, seek assistance from a knowledgeable professional.

Specific Safety Precautions for Use

- The Side Armor Bags are designed for use with MOLLE cummerbunds only. Do not attempt to use them with elastic cummerbunds.
- Ensure that the hard armor plates and soft armor inserts are securely fitted within the bags.
- Do not exceed the recommended size and thickness for armor plates: 6" x 6" hard armor plates up to 1" thick.
- When using soft armor inserts, ensure you are using the appropriate Side Armor Bag Caps to accommodate sizes from 5" x 7" to 5" x 14".
- Always ensure that the side armor is positioned correctly to maximize protection and comfort.
- Be aware that the bags are an optional accessory to the Spiritus Systems LV/119 Plate Carrier system and should be used accordingly.

Instructions for Installation and Usage

1. **Preparation:** Before installation, ensure that you have all necessary components, including the Side Armor Bags and any required accessories (e.g., Side Armor Bag Caps).
2. **Fitting Hard Armor Plates:**
 - Open the Side Armor Bags.
 - Insert the 6" x 6" hard armor plates into the designated compartments.
 - Ensure they fit snugly and securely.
3. **Fitting Soft Armor Inserts:**
 - If using soft armor inserts, attach the Side Armor Bag Caps as per the instructions.
 - Insert the soft armor inserts into the bags, ensuring they are positioned correctly.
4. **Attaching to Cummerbund:**
 - Attach the Side Armor Bags to your MOLLE cummerbund using the offset MOLLE configuration.
 - Adjust the positioning to ensure that the bags are as far forward as possible for optimal protection.
5. **Final Check:**
 - Once fitted, check that all components are secure and that there are no loose parts.
 - Adjust the fit as necessary to ensure comfort and safety.

Disposal Instructions

- Dispose of the Side Armor Bags in accordance with local regulations.
- If the bags are damaged or no longer needed, consider recycling the materials if possible.
- Do not dispose of the bags in regular household waste if they contain hazardous materials.

Contact Information for Further Support

For any inquiries regarding safety, usage, or product concerns, please contact the manufacturer directly.

Important Note

- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform to stay informed about product safety.

Thank you for your attention to these safety guidelines. Your safety is our priority, and we hope you enjoy using the Spiritus Systems Side Armor Bags.
