

# SIDE ARMOR BAGS - SPIRITUS SYSTEMS SIDE ARMOR BAGS - RANGER GREEN

[Home](#)

Side Armor Bags The Spiritus Systems Side Armor Bags are modular in design and allow for the use of hard armor plates, soft armor inserts (with the addition of one of Spiritus Side Armor Bag Caps), or both hard and soft armor at the same time. The bags were built with an offset MOLLE configuration, which allows the user to wear the plates as far forward on the cummerbund as possible. Wearing your side armor as far forward allows for side plate to front plate contact and closes a small gap in protection left over by traditional side armor systems currently on the market. Side Armor Bags are compatible with MOLLE cummerbunds and will not work with elastic cummerbunds. Plate Fitment: The Spiritus Systems Side Armor Bags are built with stretch materials to accommodate 6" x 6" hard armor plates up to 1" thick in a standalone configuration. The use of soft armor inserts requires the addition of our Side Armor Bag Caps which can then accommodate 5" x 7" to 5"x 14" rectangular soft armor inserts. Sold as a set of two Armor bags. Note: This component is an optional accessory to the Spiritus Systems LV/119 Plate Carrier system. Plate carrier and all other components are sold separately. This product may be shown with optional accessories. Made in the USA

## Attributes

- Name: [SPIRITUS SYSTEMS SIDE ARMOR BAGS - RANGER GREEN](#)
- Manufacturer: [SPIRITUS SYSTEMS](#)
- Product no.: 430101836
- Mfr. No.: PC-AB-RG

# Spiritus Systems Side Armor Bags Safety Instruction Guide

## Introduction

Thank you for choosing the Spiritus Systems Side Armor Bags. This guide provides important safety instructions and information to ensure the safe use of your Side Armor Bags. Please read this guide carefully before use to maximize safety and performance.

## General Safety Guidelines

- Ensure that the Side Armor Bags are used only as intended and in accordance with the instructions provided in this guide.
- Regularly inspect the Side Armor Bags for any signs of wear, damage, or defects before each use.
- Do not use the Side Armor Bags if they are damaged or compromised in any way.
- Keep the Side Armor Bags away from extreme heat, moisture, and direct sunlight to maintain their integrity.
- Ensure that all components, including hard armor plates and soft armor inserts, are compatible with the Side Armor Bags.
- Follow the manufacturer's guidelines for the installation and use of armor plates and inserts.

## Specific Safety Precautions for Use

- The Side Armor Bags are designed for adult use only. They are not intended for children or individuals who do not meet the required physical specifications.
- Always ensure that the armor plates are securely fitted within the bags to prevent movement during use.
- Be aware of your surroundings and the potential risks associated with wearing body armor in various environments.
- If using the Side Armor Bags with soft armor inserts, ensure that the appropriate Side Armor Bag Caps are used.
- Do not exceed the recommended thickness or size of armor plates and inserts as specified in the product description.

## Instructions for Installation and Usage

### 1. Installation of Armor Plates:

- Open the Side Armor Bags by unfastening the closure mechanisms.
- Insert the hard armor plates into the designated compartments, ensuring they fit securely.
- If using soft armor inserts, attach the appropriate Side Armor Bag Caps and insert the soft armor as per the guidelines.
- Ensure that the armor plates are positioned correctly for optimal protection and comfort.

### 2. Wearing the Side Armor Bags:

- Adjust the MOLLE cummerbund to fit snugly around your waist.
- Position the Side Armor Bags as far forward on the cummerbund as possible to ensure proper alignment and coverage.
- Make sure that the armor bags do not obstruct movement or visibility.

### 3. PostUse Care:

- After use, inspect the Side Armor Bags for any signs of wear or damage.

- Clean the bags according to the manufacturer's care instructions to maintain their functionality.
- Store the Side Armor Bags in a cool, dry place away from direct sunlight.

## **Disposal Instructions**

- When the Side Armor Bags reach the end of their service life or are no longer usable, dispose of them responsibly.
- Follow local regulations regarding the disposal of textile and plastic materials.
- Do not burn the Side Armor Bags, as this may release harmful substances.

## **Contact Information for Further Support**

For any safety inquiries or further information regarding the Spiritus Systems Side Armor Bags, please refer to the manufacturer's website or contact your local distributor.

## **Conclusion**

By following these safety instructions, you can ensure the proper use and longevity of your Spiritus Systems Side Armor Bags. Stay safe and protected!
