

SIDE ARMOR BAGS - SPIRITUS SYSTEMS SIDE ARMOR BAGS - WOODLAND

[Home](#)

Side Armor Bags The Spiritus Systems Side Armor Bags are modular in design and allow for the use of hard armor plates, soft armor inserts (with the addition of one of Spiritus Side Armor Bag Caps), or both hard and soft armor at the same time. The bags were built with an offset MOLLE configuration, which allows the user to wear the plates as far forward on the cummerbund as possible. Wearing your side armor as far forward allows for side plate to front plate contact and closes a small gap in protection left over by traditional side armor systems currently on the market. Side Armor Bags are compatible with MOLLE cummerbunds and will not work with elastic cummerbunds. Plate Fitment: The Spiritus Systems Side Armor Bags are built with stretch materials to accommodate 6" x 6" hard armor plates up to 1" thick in a standalone configuration. The use of soft armor inserts requires the addition of our Side Armor Bag Caps which can then accommodate 5" x 7" to 5"x 14" rectangular soft armor inserts. Sold as a set of two Armor bags. Note: This component is an optional accessory to the Spiritus Systems LV/119 Plate Carrier system. Plate carrier and all other components are sold separately. This product may be shown with optional accessories. Made in the USA

Safety Instruction Guide for Spiritus Systems Side Armor Bags

Introduction

Thank you for choosing the Spiritus Systems Side Armor Bags. These bags are designed to enhance your protective gear by accommodating hard and soft armor plates. This guide provides essential safety instructions and usage guidelines to ensure your safety and the effective performance of the product.

General Safety Guidelines

- Ensure that the Side Armor Bags are used in accordance with the manufacturer's instructions.
- Regularly inspect the bags for any signs of wear or damage before use.
- Do not exceed the specified limits for plate sizes and thicknesses.
- Keep the bags away from sharp objects that may cause punctures or tears.
- Store the bags in a cool, dry place when not in use to prevent deterioration of materials.
- Report any unsafe conditions or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- The Side Armor Bags are compatible with MOLLE cummerbunds only. Do not attempt to use them with elastic cummerbunds.
- Ensure that the armor plates are properly secured within the bags before wearing.
- Adjust the positioning of the bags on your cummerbund to ensure they are worn as far forward as possible for optimal protection.
- When using soft armor inserts, ensure that the Side Armor Bag Caps are installed correctly.
- Be aware of your surroundings and avoid situations that may expose you to unnecessary risks.

Instructions for Installation and Usage

1. Installation of Armor Plates:

- Open the Side Armor Bags by unfastening any closures.
- Insert the hard armor plates (6" x 6" up to 1" thick) into the designated compartments.
- If using soft armor inserts, attach the Side Armor Bag Caps securely before inserting the soft armor (5" x 7" to 5" x 14").
- Ensure that the plates are positioned correctly and are snug within the bags.

2. Wearing the Side Armor Bags:

- Attach the Side Armor Bags to your MOLLE cummerbund using the provided attachment points.
- Adjust the cummerbund for a secure fit, ensuring the bags are positioned as far forward as possible.
- Check that the bags are secure and that there is no movement when you move.

3. Maintenance:

- Clean the bags with a damp cloth and mild soap if needed. Avoid harsh chemicals.
- Inspect the bags regularly for any signs of damage or wear.
- Replace any damaged components immediately to maintain safety.

Disposal Instructions

- Dispose of the Side Armor Bags in accordance with local waste management regulations.
- Do not incinerate the bags, as this may release harmful substances.
- If the bags are damaged beyond repair, consider recycling materials where possible.

Contact Information for Further Support

For any inquiries or concerns regarding the safety and usage of the Spiritus Systems Side Armor Bags, please refer to the manufacturer's contact details provided in the product packaging or visit the official website.

Conclusion

Your safety is our priority. By following these guidelines and instructions, you can ensure the effective use of your Spiritus Systems Side Armor Bags. Always stay informed about safety practices and report any unsafe conditions to the appropriate authorities. Thank you for choosing Spiritus Systems.
