

SIDE ARMOR BAGS - SPIRITUS SYSTEMS SIDE ARMOR BAGS - WOLF GREY

[Home](#)

Side Armor Bags The Spiritus Systems Side Armor Bags are modular in design and allow for the use of hard armor plates, soft armor inserts (with the addition of one of Spiritus Side Armor Bag Caps), or both hard and soft armor at the same time. The bags were built with an offset MOLLE configuration, which allows the user to wear the plates as far forward on the cummerbund as possible. Wearing your side armor as far forward allows for side plate to front plate contact and closes a small gap in protection left over by traditional side armor systems currently on the market. Side Armor Bags are compatible with MOLLE cummerbunds and will not work with elastic cummerbunds. Plate Fitment: The Spiritus Systems Side Armor Bags are built with stretch materials to accommodate 6" x 6" hard armor plates up to 1" thick in a standalone configuration. The use of soft armor inserts requires the addition of our Side Armor Bag Caps which can then accommodate 5" x 7" to 5"x 14" rectangular soft armor inserts. Sold as a set of two Armor bags. Note: This component is an optional accessory to the Spiritus Systems LV/119 Plate Carrier system. Plate carrier and all other components are sold separately. This product may be shown with optional accessories. Made in the USA

Safety Instruction Guide for Spiritus Systems Side Armor Bags

Introduction

Thank you for choosing the Spiritus Systems Side Armor Bags in Wolf Grey. This guide provides essential safety instructions to ensure the safe and effective use of your product. Please read this guide carefully before use to understand the safety precautions and operational instructions.

General Safety Guidelines

- Ensure that the Side Armor Bags are used in accordance with the manufacturer's instructions to prevent injury.
- Regularly inspect the Side Armor Bags for any signs of damage or wear. Do not use if damaged.
- Keep the Side Armor Bags out of reach of children and vulnerable individuals who may not understand the risks associated with improper use.
- Always use the Side Armor Bags with compatible equipment, specifically MOLLE cummerbunds, as they are not designed for use with elastic cummerbunds.
- If you experience any issues or concerns regarding the safety of the product, contact the retailer or manufacturer for guidance.

Specific Safety Precautions for Use

- **Compatibility:** Ensure that the Side Armor Bags are used with hard armor plates that fit the specified dimensions (6" x 6" hard armor plates up to 1" thick) and soft armor inserts (5" x 7" to 5"x 14").
- **Installation:** Follow the installation instructions closely to avoid improper fitting that could compromise safety.
- **Positioning:** Wear the Side Armor Bags as far forward on the cummerbund as possible to maximize protection and minimize gaps.
- **Weight Distribution:** Be mindful of the weight distribution when using the Side Armor Bags, as improper weight distribution can affect mobility and stability.
- **Environmental Conditions:** Avoid exposing the Side Armor Bags to extreme temperatures, moisture, or harsh chemicals, as these can degrade the materials and compromise safety.

Instructions for Installation and Usage

1. Preparation:

- Ensure you have the necessary compatible equipment (MOLLE cummerbunds and armor plates).
- Gather your Side Armor Bags and any required accessories (e.g., Side Armor Bag Caps for soft armor inserts).

2. Installation:

- Attach the Side Armor Bags to the MOLLE cummerbund according to the manufacturer's instructions.
- Ensure that the bags are securely fastened and that there are no loose straps or components.

3. Fitting Armor Plates:

- Insert the hard armor plates into the Side Armor Bags, ensuring they fit snugly.
- If using soft armor inserts, attach the Side Armor Bag Caps and insert the soft armor according to the size specifications.

4. Wearing the Armor:

- Adjust the cummerbund to achieve a secure and comfortable fit.
- Position the Side Armor Bags as far forward as possible to ensure optimal protection.

5. PostUse Care:

- After use, inspect the Side Armor Bags for any signs of wear or damage.
- Clean the bags as per the manufacturer's guidelines to maintain their integrity.

Disposal Instructions

- Do not dispose of the Side Armor Bags in regular household waste if they are damaged or no longer usable.
- Check local regulations for the proper disposal of armor materials and components.
- Consider recycling options for the materials if available in your area.

Contact Information for Further Support

For any inquiries regarding the safety, use, or maintenance of the Spiritus Systems Side Armor Bags, please reach out to the retailer or manufacturer where the product was purchased. They can provide additional guidance and support.

Conclusion

The Spiritus Systems Side Armor Bags are designed for safety and effectiveness when used properly. By following the instructions and safety guidelines outlined in this document, you can ensure a safe experience with your Side Armor Bags. Thank you for choosing our product, and stay safe!
