Safety Instructions for NALGENE WATER BOTTLE POUCH SPIRITUS SYSTEMS

Introduction

Thank you for choosing the Spiritus Systems Nalgene® Water Bottle Pouch. This pouch is designed to securely hold your Nalgene® water bottle while providing ease of access and attachment to MOLLE systems. Please read this safety instruction guide carefully to ensure safe and proper use of the product.

General Safety Guidelines

- Ensure that the pouch is used only for its intended purpose: to hold Nalgene® water bottles.
- Regularly inspect the pouch for any signs of wear, damage, or malfunction. If any issues are found, discontinue use immediately.
- Keep the pouch out of reach of children unless under adult supervision.
- Avoid exposing the pouch to extreme temperatures or harsh chemicals, as this may compromise its integrity.

Specific Safety Precautions for Use

- When inserting or removing the water bottle, use the pull tab located at the front of the pouch to avoid pinching or injury.
- Ensure that the securing strap is properly fastened to prevent the bottle from falling out during movement.
- Do not overload the pouch with items other than a Nalgene® water bottle, as this may affect its performance and safety.
- If using the pouch while participating in physical activities, be mindful of your surroundings to avoid accidents.

Instructions for Installation and Usage

1. Mounting the Pouch:

- Locate the MOLLE webbing on your gear or backpack.
- Align the pouch with the webbing and slide the attachment straps through the webbing slots.
- Pull the straps tight to secure the pouch in place.

2. Using the Pouch:

- To insert the water bottle, pull the securing strap back and place the bottle inside the pouch.
- Utilize the pull tab at the front to help guide the bottle into the pouch.
- Once the bottle is in place, pull the securing strap over the top of the bottle and fasten it securely.

3. Removing the Bottle:

- To remove the bottle, pull the securing strap back and use the pull tab to lift the bottle out of the pouch.

Disposal Instructions

- Dispose of the pouch in accordance with local waste disposal regulations.
- If the pouch is damaged beyond repair, consider recycling materials if applicable.
- Do not incinerate or expose the pouch to open flames.
