

SACK POUCH MK3 - SPIRITUS SYSTEMS SACK POUCH MK3 - MULTICAM BLACK

[Shooting Accessories](#) > [Duty Gear](#) > [Pouches](#)

The Sub Abdominal Carrying Kit or "SACK" is the most versatile tactical "fanny pack" on the market. It was designed to make critical equipment easy to access from both sides or when in a confined space like a vehicle. The pouch features a half zip design, which means that your equipment will not easily fall out of the pouch even if the zipper is left unsecured. The front of the pouch features a small zippered stash pocket that is perfect for easy access to small items. The bottom of the pouch features two elastic loops that can be adjusted to hold a tourniquet or other equipment that you may need to rapidly deploy. If bottom carry doesn't fit your mission needs, you can easily remove and reinstall the loops as necessary. The inside features soft loop Velcro on both sides. This makes the pouch very dynamic, giving you the ability to use our Velcro Insert Suite to fit your requirements. It also features two slide-locks that make it easy to adjust the tension of the elastic loops hanging below, as well as two tie-down loops for securing sensitive equipment. The two grommet holes on the bottom aid with drainage of the pouch, if submersion occurs. The SACK is designed to fit onto the bottom of Spiritus Systems Micro Fight Chest Rig, or any other plate carrier or rig that accommodates standard hook and loop, making it a versatile choice for those changing load-outs often. Simply pull this off one kit and add it to another. Velcro Attachment measures 7"x 4"

Safety Instruction Guide for SACK POUCH MK3

SPIRITUS SYSTEMS

Introduction

Thank you for choosing the SACK POUCH MK3 from Spiritus Systems. This versatile tactical pouch is designed for ease of access and functionality. Please read this safety instruction guide carefully to ensure safe use and optimal performance of the product.

General Safety Guidelines

- Ensure that the pouch is used for its intended purpose only.
- Regularly inspect the pouch for any signs of wear, damage, or malfunction before each use.
- Keep the pouch away from extreme temperatures and harsh chemicals that may degrade the materials.
- Store the pouch in a dry place when not in use to prevent mold and mildew.
- Follow all local laws and regulations regarding the carrying of tactical gear.

Specific Safety Precautions for Use

- **Avoid Overloading:** Do not exceed the recommended weight limit of the pouch to prevent damage and ensure ease of use.
- **Secure Equipment:** Always ensure that all equipment stored inside the pouch is properly secured to avoid accidental loss during movement.
- **Zipper Care:** Ensure that the zipper is fully closed when the pouch is in use to prevent items from falling out.
- **Elastic Loops:** Adjust the tension of the elastic loops carefully to avoid pinching or injury.
- **Children Safety:** This product is not designed for use by children. Keep out of reach of minors.

Instructions for Installation and Usage

1. Attachment to Carrier:

- Align the Velcro attachment on the back of the pouch with the corresponding hook and loop area on your carrier.
- Press firmly to secure the pouch in place.

2. Using the Pouch:

- To access items, unzip the half zip design carefully.
- Use the small zippered stash pocket for easy access to small items.
- Adjust the elastic loops on the bottom as needed for your equipment.
- Ensure that the two slidelocks are tightened to maintain the desired tension.

3. Removing the Pouch:

- Gently pull the pouch away from the carrier to detach it.
- If necessary, adjust the Velcro attachment for reinstallation onto a different kit.

Disposal Instructions

- Dispose of the pouch in accordance with local regulations regarding textile waste.
- Do not burn the pouch, as it may release harmful chemicals.

Contact Information for Further Support

For any safety inquiries or further assistance, please refer to the manufacturer's contact details provided on the product packaging or their official website. Always ensure that you are using the product as intended and follow the provided guidelines for safe operation.

Thank you for your attention to these safety instructions. Enjoy using your SACK POUCH MK3!
