

# SACK POUCH MK3 - SPIRITUS SYSTEMS SACK POUCH MK3 - WOODLAND

[Shooting Accessories](#) > [Duty Gear](#) > [Pouches](#)

The Sub Abdominal Carrying Kit or "SACK" is the most versatile tactical "fanny pack" on the market. It was designed to make critical equipment easy to access from both sides or when in a confined space like a vehicle. The pouch features a half zip design, which means that your equipment will not easily fall out of the pouch even if the zipper is left unsecured. The front of the pouch features a small zippered stash pocket that is perfect for easy access to small items. The bottom of the pouch features two elastic loops that can be adjusted to hold a tourniquet or other equipment that you may need to rapidly deploy. If bottom carry doesn't fit your mission needs, you can easily remove and reinstall the loops as necessary. The inside features soft loop Velcro on both sides. This makes the pouch very dynamic, giving you the ability to use our Velcro Insert Suite to fit your requirements. It also features two slide-locks that make it easy to adjust the tension of the elastic loops hanging below, as well as two tie-down loops for securing sensitive equipment. The two grommet holes on the bottom aid with drainage of the pouch, if submersion occurs. The SACK is designed to fit onto the bottom of Spiritus Systems Micro Fight Chest Rig, or any other plate carrier or rig that accommodates standard hook and loop, making it a versatile choice for those changing load-outs often. Simply pull this off one kit and add it to another. Velcro Attachment measures 7"x 4"

# Safety Instruction Guide for SACK POUCH MK3 SPIRITUS SYSTEMS

## Introduction

Thank you for choosing the SACK Pouch MK3 from Spiritus Systems. This tactical pouch is designed for versatility and ease of use in various situations. To ensure your safety and the optimal performance of this product, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- **Product Safety:** Ensure safe use of the SACK Pouch MK3 by following all instructions. This product is designed to minimize risks during use.
- **Enhanced Recalls:** In the event of a product recall, you will be notified through standardized recall notices. Please ensure you register your product for updates.
- **Online Shopping:** If purchased online, the same safety standards apply as in physical stores. Ensure the online platform complies with safety requirements.
- **Special Consumer Focus:** This product is not intended for children. Keep out of reach of minors to avoid potential hazards.
- **EU Contact Point:** For any safety inquiries, please refer to the designated EU contact point associated with this product.
- **Rapid Alerts:** Stay informed about safety updates and alerts regarding this product through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Avoid Overloading:** Do not exceed the recommended load capacity of the pouch to prevent damage and ensure safe handling.
- **Secure Fastenings:** Always ensure that all zippers and closures are securely fastened during use to prevent accidental opening.
- **Inspect Before Use:** Regularly check the pouch for signs of wear or damage. Do not use if any part is compromised.
- **Use as Intended:** This pouch is designed for carrying tactical gear. Do not use it for any other purpose.
- **Avoid Moisture:** While the pouch has drainage holes, prolonged exposure to water may damage contents. Store in a dry place when not in use.

## Instructions for Installation and Usage

### 1. Attachment to Rig:

- Ensure the Spiritus Systems Micro Fight Chest Rig or compatible plate carrier is properly adjusted and secured.
- Align the Velcro attachment of the SACK Pouch MK3 with the corresponding area on the rig.
- Press firmly to ensure a secure attachment.

### 2. Loading the Pouch:

- Open the half zip design and load your equipment carefully.
- Utilize the small zippered stash pocket for easy access to smaller items.
- Adjust the elastic loops at the bottom to hold a tourniquet or other equipment as needed.

### 3. Adjusting Elastic Loops:

- Use the two slidelocks to adjust the tension of the elastic loops for your specific needs.
- Ensure that any sensitive equipment is secured with the tiedown loops provided.

#### 4. **Removing the Pouch:**

- To remove, gently pull the pouch away from the rig ensuring that no contents are caught in the Velcro.
- Store the pouch in a safe and dry location when not in use.

## **Disposal Instructions**

- **Disposal of the Pouch:** When the SACK Pouch MK3 reaches the end of its life, dispose of it in accordance with local regulations regarding textile and synthetic materials.
- **Environmental Considerations:** Do not dispose of the pouch in regular household waste. Check for recycling options in your area.

## **Contact Information for Further Support**

For any further inquiries or support regarding the SACK Pouch MK3, please refer to the appropriate contact point provided with your product purchase. Ensure to have your product details ready for reference.

Thank you for your attention to these safety guidelines. Your safety and satisfaction are our top priorities. Enjoy your SACK Pouch MK3 and use it responsibly!
