

# SACK POUCH MK3 - SPIRITUS SYSTEMS SACK POUCH MK3 - WOLF GREY

[Shooting Accessories](#) > [Duty Gear](#) > [Pouches](#)

The Sub Abdominal Carrying Kit or "SACK" is the most versatile tactical "fanny pack" on the market. It was designed to make critical equipment easy to access from both sides or when in a confined space like a vehicle. The pouch features a half zip design, which means that your equipment will not easily fall out of the pouch even if the zipper is left unsecured. The front of the pouch features a small zippered stash pocket that is perfect for easy access to small items. The bottom of the pouch features two elastic loops that can be adjusted to hold a tourniquet or other equipment that you may need to rapidly deploy. If bottom carry doesn't fit your mission needs, you can easily remove and reinstall the loops as necessary. The inside features soft loop Velcro on both sides. This makes the pouch very dynamic, giving you the ability to use our Velcro Insert Suite to fit your requirements. It also features two slide-locks that make it easy to adjust the tension of the elastic loops hanging below, as well as two tie-down loops for securing sensitive equipment. The two grommet holes on the bottom aid with drainage of the pouch, if submersion occurs. The SACK is designed to fit onto the bottom of Spiritus Systems Micro Fight Chest Rig, or any other plate carrier or rig that accommodates standard hook and loop, making it a versatile choice for those changing load-outs often. Simply pull this off one kit and add it to another. Velcro Attachment measures 7"x 4"

# Safety Instruction Guide for SACK POUCH MK3

## SPIRITUS SYSTEMS

### Introduction

Thank you for choosing the SACK POUCH MK3 by Spiritus Systems. This versatile tactical pouch is designed for ease of use and accessibility in various situations. To ensure your safety and the effective use of this product, please read and follow the safety instructions outlined in this guide.

### General Safety Guidelines

- Always inspect the pouch before use to ensure there are no visible damages or defects.
- Use the pouch only for its intended purpose as outlined in the product description.
- Keep the pouch away from fire and extreme heat sources.
- Store the pouch in a cool, dry place when not in use.
- Regularly check the condition of the elastic loops and Velcro attachments to ensure they are secure and functional.
- If you notice any wear or damage, discontinue use and replace the pouch.

### Specific Safety Precautions for Use

- Ensure that the pouch is securely attached to your gear before use to avoid accidental detachment.
- When using the pouch in confined spaces (e.g., vehicles), be mindful of your surroundings to prevent injury.
- Avoid overloading the pouch beyond its intended capacity, as this may compromise its functionality and safety.
- When accessing items from the pouch, do so carefully to prevent dropping items or causing injury.
- If using the pouch for medical equipment (e.g., tourniquets), ensure that you are trained in their proper use.

### Instructions for Installation and Usage

#### 1. Attaching the Pouch:

- Locate the Velcro attachment on the back of the pouch.
- Align the Velcro with the corresponding area on your plate carrier or rig.
- Press firmly to ensure a secure attachment.

#### 2. Adjusting the Elastic Loops:

- To hold a tourniquet or other equipment, slide the elastic loops as needed.
- If the current configuration does not meet your mission needs, remove and reinstall the loops as necessary.

#### 3. Using the Pouch:

- Open the half zip design to access your equipment.
- Use the small zippered stash pocket for easy access to small items.
- Adjust the tension of the elastic loops using the slidelocks for optimal fit.

#### 4. Drainage:

- If the pouch becomes submerged, use the grommet holes on the bottom to aid drainage.

## **5. Removing the Pouch:**

- To detach the pouch, gently pull it away from the Velcro surface while ensuring no other gear is affected.

## **Disposal Instructions**

- Dispose of the pouch in accordance with local regulations for textile and fabric waste.
- If the pouch is damaged or no longer functional, do not attempt to repair it. Instead, dispose of it responsibly.

## **Contact Information for Further Support**

For any inquiries regarding safety or product issues, please refer to the customer support section on the Spiritus Systems website or contact your retailer for assistance.

## **Conclusion**

By following these safety instructions, you can ensure the safe and effective use of the SACK POUCH MK3. Always prioritize safety and proper usage to maximize the benefits of this tactical pouch. Thank you for your attention to these guidelines.
