*** This product attaches to the ASSAULT BACK PANEL CORE. It is NOT standalone and requires a Core to function properly.*** GP Flap The GP Flap is a single pocket zip on attachment to our Assault Back Panel Core. It consists of one pocket that measures 10" x 6" x 2.5" The pocket was built to store extra items that may be needed on an operation such as medical equipment or roll up flex linear charges. The pocket features a half zippered closure to prevent items from inadvertently dumping out unzipping the pouch. Inside the pocket there is Velcro loop lined on both sides for the addition of hook Velcro accessories. There are also two tie down locations on the interior for securing sensitive items. The GP Flap has two built-in channels behind the pocket that allows for the storage of linear items, such as Slap Charges and Breach Pens. The front of the pocket offers a smaller zippered stash pocket for organizing smaller items and features a loop Velcro field that measures 2" x 9" for attaching placards or velcro patches. The GP flap is attached to the Assault Back Panel Core by a separating dual zipper, 3 directional snaps and a hook/loop Velcro field. Some images show with optional accessories, sold separately.
