

# **MOLLE TUBES CUMMERBUND - SPIRITUS SYSTEMS MOLLE TUBES CUMMERBUND (SIZE 1) - WOODLAND**

[Home](#)

NOTE: This LV/119 Cummerbund is designed for use with a front O V E R T and rear O V E R T or C O V E R TLV/119 plate bag. The TUBES™ MOLLE Cummerbund was designed to be a lightweight and simple load carriage solution for the LV/119 series of vests. Using the widely adopted MOLLE system, the cummerbund offers almost infinite configurations for mission needs by utilizing any MOLLE accessory that can be found on the market. The cummerbund is designed to allow simultaneous use of the same MOLLE cell for products mounted on the inside and outside of the cummerbund. The TUBES™ MOLLE Cummerbund is a great option for those who are in and out of their vest frequently and have experienced wear and tear on their Velcro attachment vests. It is also a great option for those who are wearing their equipment in and around water. The TUBES™ MOLLE Cummerbund features the officially licensed First Spear TUBES™ Attachments systems developed by and officially licensed from First Spear. The TUBES™ MOLLE Cummerbund is Berry Amendment Compliant materials sourced from industry leaders in textiles manufacturing. Cummerbund Attachment The cummerbund attachment is a proprietary system that allows for the use of all of our cummerbunds, as well as allowing for a wide range of adjustment. The cummerbund attaches inside the plate bag, which is advantageous for a few reasons. There is no external mounting that can get snagged or rip off when exiting vehicles in haste. The design creates a smooth profile when worn underneath clothing. Velcro is not utilized as an attachment method on the rear plate bag. Velcro wears out over time and is a generally less-than-optimal attachment method when not supported in other ways. Velcro doesn't handle weight well and it sticks to everything, especially cloth seats. Every front plate bag comes standard with sewn loops on the sides for attaching First Spear TUBES™ for use with our TUBES™ cummerbund. Sizing The cummerbund comes in two sizes: Size 1 and Size 2, each offering up to 14 inches of total adjustment. This allows for a proper fitment for a wide variety of body types. To figure our appropriate sizing, take measurement of the waist at the belly button. When measuring, users should dress as they would while actually wearing the carrier. For example, if the user is operating in arctic environments, they should be wearing cold weather equipment when measuring. Size 1: 28" to 42" Size 2: 40" to 54" If your waist measurement is 42", we suggest going up to the Size 2 cummerbund. SOLD AS A SET. NOTE: The LV119 Cummerbund is part of the LV119 Plate Carrier System. This item does not include a Front Plate Bag, Rear Plate Bag, Shoulder Covers, Placards, or any other accessories. Additional components are required for proper use. Some images shown with optional accessories, sold separately.

## **Attributes**

- Name: [SPIRITUS SYSTEMS MOLLE TUBES CUMMERBUND \(SIZE 1\) - WOODLAND](#)
- Manufacturer: [SPIRITUS SYSTEMS](#)
- Product no.: 430101943

# MOLLE TUBES CUMMERBUND SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the MOLLE TUBES Cummerbund from Spiritus Systems. This safety instruction guide is designed to ensure the safe use of your product, in compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully to understand how to use, install, and dispose of your cummerbund safely.

## General Safety Guidelines

- Ensure that the cummerbund is used only for its intended purpose as part of the LV/119 Plate Carrier System.
- Regularly inspect the cummerbund for any signs of wear or damage before each use.
- Do not use the cummerbund if it shows any signs of damage, as this may compromise safety.
- Keep the cummerbund out of reach of children and vulnerable individuals who may misuse it.
- Report any unsafe conditions or accidents related to the product to the appropriate authorities.
- Check for recall updates on the EU Safety Gate platform.

## Specific Safety Precautions for Use

- **Proper Fitment:** Ensure the cummerbund is properly sized to fit your waist. Measure your waist at the belly button while wearing appropriate clothing.
- **Weight Distribution:** Be mindful of the weight you attach to the cummerbund. Excessive weight may cause discomfort or affect mobility.
- **Use of MOLLE Accessories:** When attaching MOLLE accessories, ensure they are compatible and securely fastened to avoid accidental detachment during use.
- **Water Use:** If using the cummerbund in wet conditions, ensure that all components are suited for water exposure to prevent degradation.
- **Avoid Snagging:** Take care when exiting vehicles or moving through tight spaces to avoid snagging the cummerbund on external objects.

## Instructions for Installation and Usage

### 1. Sizing:

- Size 1: 28" to 42"
- Size 2: 40" to 54"
- For a waist measurement of 42", choose Size 2 for optimal fit.

### 2. Attachment:

- The cummerbund attaches inside the LV/119 plate bag. Ensure it is securely fastened.
- Use the provided sewn loops on the sides of the front plate bag to attach the First Spear TUBES™.

### 3. Adjustment:

- Adjust the cummerbund for comfort and security, allowing for up to 14 inches of total adjustment.
- Ensure that the cummerbund fits snugly but does not restrict movement.

### 4. Wearing:

- When wearing the cummerbund, ensure that it is positioned correctly under clothing for a smooth profile.
- Avoid using Velcro as an attachment method on the rear plate bag, as it may wear out over time.

#### **5. Maintenance:**

- Regularly check the cummerbund for signs of wear and tear, especially after exposure to harsh conditions.
- Clean the cummerbund according to the manufacturer's recommendations to maintain material integrity.

## **Disposal Instructions**

- Dispose of the cummerbund in accordance with local regulations for textile waste.
- If the cummerbund is damaged beyond repair, consider recycling the materials if possible.

## **Contact Information for Further Support**

For safety inquiries or further assistance regarding the MOLLE TUBES Cummerbund, please refer to the manufacturer's contact information included with your product packaging or visit their official website.

Thank you for your attention to these safety instructions. Enjoy the use of your MOLLE TUBES Cummerbund and stay safe!
