

# MOLLE TUBES CUMMERBUND - SPIRITUS SYSTEMS MOLLE TUBES CUMMERBUND (SIZE 1) - WOLF GREY

[Home](#)

NOTE: This LV/119 Cummerbund is designed for use with a front O V E R T and rear O V E R T or C O V E R TLV/119 plate bag. The TUBES™ MOLLE Cummerbund was designed to be a lightweight and simple load carriage solution for the LV/119 series of vests. Using the widely adopted MOLLE system, the cummerbund offers almost infinite configurations for mission needs by utilizing any MOLLE accessory that can be found on the market. The cummerbund is designed to allow simultaneous use of the same MOLLE cell for products mounted on the inside and outside of the cummerbund. The TUBES™ MOLLE Cummerbund is a great option for those who are in and out of their vest frequently and have experienced wear and tear on their Velcro attachment vests. It is also a great option for those who are wearing their equipment in and around water. The TUBES™ MOLLE Cummerbund features the officially licensed First Spear TUBES™ Attachments systems developed by and officially licensed from First Spear. The TUBES™ MOLLE Cummerbund is Berry Amendment Compliant materials sourced from industry leaders in textiles manufacturing. Cummerbund Attachment The cummerbund attachment is a proprietary system that allows for the use of all of our cummerbunds, as well as allowing for a wide range of adjustment. The cummerbund attaches inside the plate bag, which is advantageous for a few reasons. There is no external mounting that can get snagged or rip off when exiting vehicles in haste. The design creates a smooth profile when worn underneath clothing. Velcro is not utilized as an attachment method on the rear plate bag. Velcro wears out over time and is a generally less-than-optimal attachment method when not supported in other ways. Velcro doesn't handle weight well and it sticks to everything, especially cloth seats. Every front plate bag comes standard with sewn loops on the sides for attaching First Spear TUBES™ for use with our TUBES™ cummerbund. Sizing The cummerbund comes in two sizes: Size 1 and Size 2, each offering up to 14 inches of total adjustment. This allows for a proper fitment for a wide variety of body types. To figure our appropriate sizing, take measurement of the waist at the belly button. When measuring, users should dress as they would while actually wearing the carrier. For example, if the user is operating in arctic environments, they should be wearing cold weather equipment when measuring. Size 1: 28" to 42" Size 2: 40" to 54" If your waist measurement is 42", we suggest going up to the Size 2 cummerbund. SOLD AS A SET. NOTE: The LV119 Cummerbund is part of the LV119 Plate Carrier System. This item does not include a Front Plate Bag, Rear Plate Bag, Shoulder Covers, Placards, or any other accessories. Additional components are required for proper use. Some images shown with optional accessories, sold separately.

## Attributes

# MOLLE TUBES CUMMERBUND SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the MOLLE TUBES Cummerbund from Spiritus Systems. This product is designed to enhance your load carriage experience while ensuring safety and comfort. Please read this guide carefully to understand the safety guidelines, usage instructions, and disposal information associated with your cummerbund.

## General Safety Guidelines

- Ensure that the product is used in accordance with the instructions provided in this manual.
- Always inspect the cummerbund for any signs of wear or damage before each use.
- If you notice any defects or damage, discontinue use immediately and contact customer support.
- Keep the cummerbund away from sharp objects to prevent tearing or damage.
- Store the cummerbund in a cool, dry place when not in use to prevent degradation of materials.
- Be aware of your surroundings while wearing the cummerbund, especially in environments with potential hazards.

## Specific Safety Precautions for Use

- The cummerbund is designed for use with the LV/119 Plate Carrier System. Ensure compatibility before use.
- Do not overload the cummerbund with excessive weight beyond its intended capacity.
- When adjusting the cummerbund, ensure that it is securely fastened to avoid slippage during use.
- Avoid using the cummerbund in extreme conditions without appropriate clothing, as this may affect comfort and safety.
- Ensure that all accessories attached to the cummerbund are securely fastened and compatible with the MOLLE system.

## Instructions for Installation and Usage

### 1. Attachment:

- The cummerbund attaches inside the plate bag. Ensure that it is properly secured to avoid any movement during use.
- Follow the manufacturer's instructions for attaching the cummerbund to the LV/119 Plate Carrier System.

### 2. Sizing:

- Measure your waist at the belly button to determine the appropriate size:
  - Size 1: 28" to 42"
  - Size 2: 40" to 54"
- If your waist measurement is at the upper limit of Size 1 (42"), consider using Size 2 for better fit.

### 3. Adjustment:

- The cummerbund allows for up to 14 inches of total adjustment. Adjust the cummerbund to ensure a snug fit without compromising comfort.
- Dress as you would while wearing the carrier when taking measurements.

#### **4. Usage:**

- Wear the cummerbund underneath clothing for a smooth profile.
- Avoid using Velcro as an attachment method on the rear plate bag; it is not utilized in this design.

#### **5. Maintenance:**

- Regularly check the cummerbund for signs of wear and tear.
- Clean the cummerbund according to the manufacturer's recommendations to maintain its integrity.

## **Disposal Instructions**

- Dispose of the cummerbund in accordance with local regulations for textile waste.
- If the cummerbund is damaged beyond repair, consider recycling the materials if possible.
- Do not dispose of the cummerbund in regular household waste if it contains hazardous materials.

## **Contact Information for Further Support**

For safety inquiries, product support, or to report any unsafe products, please reach out to the appropriate contact point provided by the manufacturer.

Thank you for your attention to these safety instructions. Proper use and maintenance of your MOLLE TUBES Cummerbund will enhance your experience and ensure your safety.
