[Home](#)

NOTE: This LV/119 Cummerbund is designed for use with a front O V E R T and rear O V E R T or C O V E R TLV/119 plate bag. The TUBES™ MOLLE Cummerbund was designed to be a lightweight and simple load carriage solution for the LV/119 series of vests. Using the widely adopted MOLLE system, the cummerbund offers almost infinite configurations for mission needs by utilizing any MOLLE accessory that can be found on the market. The cummerbund is designed to allow simultaneous use of the same MOLLE cell for products mounted on the inside and outside of the cummerbund. The TUBES™ MOLLE Cummerbund is a great option for those who are in and out of their vest frequently and have experienced wear and tear on their Velcro attachment vests. It is also a great option for those who are wearing their equipment in and around water. The TUBES™ MOLLE Cummerbund features the officially licensed First Spear TUBES™ Attachments systems developed by and officially licensed from First Spear. The TUBES™ MOLLE Cummerbund is Berry Amendment Compliant materials sourced from industry leaders in textiles manufacturing. Cummerbund Attachment The cummerbund attachment is a proprietary system that allows for the use of all of our cummerbunds, as well as allowing for a wide range of adjustment. The cummerbund attaches inside the plate bag, which is advantageous for a few reasons. There is no external mounting that can get snagged or rip off when exiting vehicles in haste. The design creates a smooth profile when worn underneath clothing. Velcro is not utilized as an attachment method on the rear plate bag. Velcro wears out over time and is a generally less-than-optimal attachment method when not supported in other ways. Velcro doesn't handle weight well and it sticks to everything, especially cloth seats. Every front plate bag comes standard with sewn loops on the sides for attaching First Spear TUBES™ for use with our TUBES™ cummerbund. Sizing The cummerbund comes in two sizes: Size 1 and Size 2, each offering up to 14 inches of total adjustment. This allows for a proper fitment for a wide variety of body types. To figure our appropriate sizing, take measurement of the waist at the belly button. When measuring, users should dress as they would while actually wearing the carrier. For example, if the user is operating in arctic environments, they should be wearing cold weather equipment when measuring. Size 1: 28" to 42" Size 2: 40" to 54" If your waist measurement is 42", we suggest going up to the Size 2 cummerbund. SOLD AS A SET. NOTE: The LV119 Cummerbund is part of the LV119 Plate Carrier System. This item does not include a Front Plate Bag, Rear Plate Bag, Shoulder Covers, Placards, or any other accessories. Additional components are required for proper use. Some images shown with optional accessories, sold separately.

# MOLLE TUBES CUMMERBUND SAFETY INSTRUCTION GUIDE

## Introduction

Thank you for choosing the MOLLE TUBES Cummerbund from Spiritus Systems. This guide provides essential safety information and instructions to ensure the safe and effective use of this product. Please read this manual carefully before use.

## General Safety Guidelines

- **Product Safety:** The MOLLE TUBES Cummerbund is designed to ensure safe use when following the provided instructions. Ensure you are familiar with the product features and safety precautions.
- **Enhanced Recalls:** In the event of a product recall, you will be notified through standardized notices. Please stay updated and report any dangerous products.
- **Online Shopping:** When purchasing online, ensure that the platform complies with safety regulations similar to physical stores.
- **Special Consumer Focus:** This product is not intended for children. Keep it out of reach of vulnerable groups.
- **EU Contact Point:** For safety inquiries, please refer to the appropriate EU-based contact for assistance.
- **Rapid Alerts:** Stay informed about product safety through the EU's Safety Gate system for quick updates on unsafe products.

## Specific Safety Precautions for Use

- **Proper Fit:** Ensure the cummerbund is the correct size for your waist. Measure your waist at the belly button and refer to the sizing guide.
- **Attachment Method:** Do not use Velcro as an attachment method on the rear plate bag, as it may wear out over time. Ensure that the cummerbund is securely attached using the proprietary system.
- **Avoid Snagging:** When exiting vehicles or engaging in activities, be mindful of the cummerbund to prevent snagging or ripping.
- **Water Use:** If using the cummerbund in wet conditions, ensure that it is properly secured to prevent any loss of equipment.
- **Regular Inspections:** Periodically check the cummerbund for signs of wear and tear. Replace if any damage is observed.

## Instructions for Installation and Usage

### 1. Measuring for Size:

- Measure your waist at the belly button.
- For Size 1, the waist measurement should be between 28" to 42".
- For Size 2, the waist measurement should be between 40" to 54".
- If your waist measures 42", we recommend choosing Size 2.

### 2. Attaching the Cummerbund:

- Open the front plate bag and locate the sewn loops on the sides.
- Insert the TUBES™ Attachments into the loops.
- Adjust the cummerbund to fit snugly against your body.

### 3. Wearing the Cummerbund:

- Ensure the cummerbund is worn underneath clothing for a smooth profile.
- Adjust the cummerbund for comfort and mobility.

#### **4. Removing the Cummerbund:**

- To remove, carefully detach the TUBES™ Attachments from the sewn loops.
- Store the cummerbund in a dry place to prevent damage.

## **Disposal Instructions**

- The MOLLE TUBES Cummerbund should be disposed of in accordance with local regulations for textile waste.
- If the cummerbund is damaged beyond repair, consider recycling options where available.
- Do not dispose of the cummerbund in regular household waste if it contains hazardous materials.

## **Contact Information for Further Support**

For any questions or concerns regarding the use of the MOLLE TUBES Cummerbund, please refer to the official Spiritus Systems website or contact your local retailer for assistance.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities.
