

# MOLLE TUBES CUMMERBUND - SPIRITUS SYSTEMS MOLLE TUBES CUMMERBUND (SIZE 2) - WOLF GREY

[Home](#)

NOTE: This LV/119 Cummerbund is designed for use with a front O V E R T and rear O V E R T or C O V E R TLV/119 plate bag. The TUBES™ MOLLE Cummerbund was designed to be a lightweight and simple load carriage solution for the LV/119 series of vests. Using the widely adopted MOLLE system, the cummerbund offers almost infinite configurations for mission needs by utilizing any MOLLE accessory that can be found on the market. The cummerbund is designed to allow simultaneous use of the same MOLLE cell for products mounted on the inside and outside of the cummerbund. The TUBES™ MOLLE Cummerbund is a great option for those who are in and out of their vest frequently and have experienced wear and tear on their Velcro attachment vests. It is also a great option for those who are wearing their equipment in and around water. The TUBES™ MOLLE Cummerbund features the officially licensed First Spear TUBES™ Attachments systems developed by and officially licensed from First Spear. The TUBES™ MOLLE Cummerbund is Berry Amendment Compliant materials sourced from industry leaders in textiles manufacturing. Cummerbund Attachment The cummerbund attachment is a proprietary system that allows for the use of all of our cummerbunds, as well as allowing for a wide range of adjustment. The cummerbund attaches inside the plate bag, which is advantageous for a few reasons. There is no external mounting that can get snagged or rip off when exiting vehicles in haste. The design creates a smooth profile when worn underneath clothing. Velcro is not utilized as an attachment method on the rear plate bag. Velcro wears out over time and is a generally less-than-optimal attachment method when not supported in other ways. Velcro doesn't handle weight well and it sticks to everything, especially cloth seats. Every front plate bag comes standard with sewn loops on the sides for attaching First Spear TUBES™ for use with our TUBES™ cummerbund. Sizing The cummerbund comes in two sizes: Size 1 and Size 2, each offering up to 14 inches of total adjustment. This allows for a proper fitment for a wide variety of body types. To figure our appropriate sizing, take measurement of the waist at the belly button. When measuring, users should dress as they would while actually wearing the carrier. For example, if the user is operating in arctic environments, they should be wearing cold weather equipment when measuring. Size 1: 28" to 42" Size 2: 40" to 54" If your waist measurement is 42", we suggest going up to the Size 2 cummerbund. SOLD AS A SET. NOTE: The LV119 Cummerbund is part of the LV119 Plate Carrier System. This item does not include a Front Plate Bag, Rear Plate Bag, Shoulder Covers, Placards, or any other accessories. Additional components are required for proper use. Some images shown with optional accessories, sold separately.

# MOLLE TUBES CUMMERBUND SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the MOLLE TUBES Cummerbund from Spiritus Systems. This safety instruction guide is designed to ensure the safe use and handling of your product in accordance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully before using the cummerbund.

## General Safety Guidelines

- **Product Safety:** Ensure safe use of the MOLLE TUBES Cummerbund by following all instructions. This product is designed for load carriage and should be used only as intended.
- **Enhanced Recalls:** Stay informed about any product recalls. If a recall is issued, follow the provided instructions for returning or disposing of the product.
- **Online Shopping:** When purchasing online, ensure the seller complies with safety requirements. Verify that you are buying from a reputable source.
- **Special Consumer Focus:** This product is not intended for use by children. Keep it out of reach of minors to prevent accidents.
- **EU Contact Point:** For any safety inquiries, please refer to the product packaging or the manufacturer's website for the appropriate EU contact information.
- **Rapid Alerts:** Monitor the EU's Safety Gate platform for updates on unsafe products and recalls.

## Specific Safety Precautions for Use

- **Proper Fit:** Ensure the cummerbund is the correct size for your waist. Measure around your waist at the belly button to determine your size. Size 1 fits 28" to 42" and Size 2 fits 40" to 54".
- **Weight Distribution:** Avoid overloading the cummerbund with excessive weight that may compromise its integrity or your safety.
- **Environmental Conditions:** When using in wet environments, ensure that all components are properly secured to prevent slippage or detachment.
- **Inspection:** Regularly inspect the cummerbund for signs of wear, damage, or malfunction. Do not use if any components are compromised.
- **Avoid Snags:** Be cautious when exiting vehicles or moving through tight spaces to prevent snagging on external objects.

## Instructions for Installation and Usage

### 1. Attaching the Cummerbund:

- Open the front plate bag and locate the attachment points.
- Insert the cummerbund into the designated slots inside the plate bag.
- Ensure that the cummerbund is securely fastened and that there are no loose ends.

### 2. Adjusting the Fit:

- Pull the adjustment straps to achieve a snug fit around your waist.
- Ensure that the cummerbund is comfortable and does not restrict movement.

### 3. Using MOLLE Accessories:

- Attach MOLLE accessories as needed by weaving them through the cummerbund's MOLLE cells.
- Ensure that all accessories are securely attached and do not interfere with the cummerbund's

function.

#### 4. **Wearing the Cummerbund:**

- Put on your vest as you normally would, ensuring that the cummerbund is positioned correctly.
- Adjust any additional straps for comfort and security.

#### 5. **Removing the Cummerbund:**

- To remove, simply detach the cummerbund from the plate bag by reversing the attachment process.
- Store the cummerbund in a dry, cool place when not in use.

## **Disposal Instructions**

- **Disposal of Product:** When the cummerbund reaches the end of its life cycle, dispose of it in accordance with local regulations for textile waste.
- **Recycling:** If possible, recycle materials to minimize environmental impact. Check with local recycling facilities for guidelines on disposing of textile products.
