

MOLLE HOOK & LOOP CUMMERBUND (SIZE 1) - WOLF GREY

[Home](#)

NOTE: This LV/119 Cummerbund is designed for use with a front and rear LV/119 plate bag. The Hook & Loop MOLLE Cummerbund was designed to be a lightweight and simple load carriage solution for the LV/119 series of vests. Using the widely adopted MOLLE system, the cummerbund offers almost infinite configurations for mission needs by utilizing any MOLLE accessory that can be found on the market. The cummerbund is designed to allow simultaneous use of the same MOLLE cell for products mounted on the inside and outside of the cummerbund. The Hook & Loop MOLLE Cummerbund features premium, Berry Amendment Compliant materials sourced from industry leaders in textiles' manufacturing. Cummerbund Attachment The cummerbund attachment is a proprietary system that allows for the use of all of our cummerbunds, as well as allowing for a wide range of adjustment. The cummerbund attaches inside the plate bag, which is advantageous for a few reasons. There is no external mounting that can get snagged or rip off when exiting vehicles in haste. The design creates a smooth profile when worn underneath clothing. Hook & Loop is not utilized as an attachment method on the rear plate bag. Hook & Loop wears out over time and is a generally less-than-optimal attachment method when not supported in other ways. Hook & Loop doesn't handle weight well and it sticks to everything, especially cloth seats. Sizing The cummerbund comes in two sizes: Size 1 and Size 2, each offering up to 14 inches of total adjustment. This allows for a proper fitment for all body types. To figure our appropriate sizing, take measurement of the waist at the belly button. When measuring, users should dress as they would while actually wearing the carrier. For example, if the user is operating in arctic environments, they should be wearing cold weather equipment when measuring. Size 1: 28" to 42" Size 2: 40" to 54" SOLD AS A SET. If your waist measurement is 42", we suggest going up to the Size 2 cummerbund. NOTE: The LV119 Cummerbund is part of the LV119 Plate Carrier System. This item does not include a Front Plate Bag, Rear Plate Bag, Shoulder Covers, Placards, or any other accessories. Additional components are required for proper use. Some images shown with optional accessories, sold separately.

MOLLE Hook & Loop Cumberbund Safety Instruction Guide

Introduction

Thank you for choosing the MOLLE Hook & Loop Cumberbund (Size 1) Wolf Grey. This product is designed to provide a lightweight and adaptable load carriage solution for the LV/119 series of vests. To ensure your safety and the effective use of this product, please read this guide carefully.

General Safety Guidelines

- **Product Safety:** This cumberbund is designed to be safe for use with LV/119 plate bags. Ensure that you follow all usage instructions to avoid any risks.
- **Enhanced Recalls:** Stay informed about any product recalls. If a recall occurs, you will be notified through standardized notices.
- **Online Shopping:** If purchased online, ensure that the platform complies with safety requirements similar to physical stores.
- **Special Consumer Focus:** This product is not intended for children. Ensure that it is used only by adults or under adult supervision.
- **EU Contact Point:** For any safety inquiries, refer to the EU contact point for guidance.
- **Rapid Alerts:** Be aware of the Safety Gate system for updates on unsafe products.

Specific Safety Precautions for Use

- **Proper Fit:** Measure your waist at the belly button to ensure the correct size. Size 1 fits waist sizes from 28" to 42". If your waist measurement is 42", consider upgrading to Size 2, which fits 40" to 54".
- **Use in Appropriate Conditions:** When wearing the cumberbund, dress as you would in the environment where it will be used (e.g., wear cold weather gear in arctic conditions).
- **Avoid Hook & Loop Wear:** Be mindful that Hook & Loop may wear out over time. It is not recommended to use it as an attachment method on the rear plate bag due to its limitations in handling weight.
- **Check for Damage:** Regularly inspect the cumberbund for signs of wear or damage. Do not use if damaged.

Instructions for Installation and Usage

1. Attachment:

- The cumberbund attaches inside the LV/119 plate bag. Ensure that it is securely fastened.
- Avoid external mounting to prevent snagging or ripping when exiting vehicles.
- Ensure a smooth profile when worn underneath clothing.

2. Adjusting Size:

- To adjust the size, locate the adjustment points on the cumberbund.
- Pull the straps to achieve a snug fit without restricting movement.
- Ensure that the cumberbund is not too tight to avoid discomfort.

3. Using MOLLE Accessories:

- Utilize the MOLLE system to attach accessories as needed.
- Ensure that any accessories used are compatible with the cumberbund and do not exceed weight limits.

Disposal Instructions

- Dispose of the cummerbund in accordance with local regulations for textile waste.
- If the product is damaged beyond repair, ensure that it is disposed of safely to avoid environmental harm.

Contact Information for Further Support

For any further inquiries regarding safety, usage, or installation of the MOLLE Hook & Loop Cummerbund, please refer to the appropriate EU contact point or your place of purchase for assistance.

Thank you for your attention to these safety guidelines. Your safety and satisfaction are our top priorities.
