

# MOLLE HOOK & LOOP CUMMERBUND (SIZE 2) - MULTICAM TROPIC

[Home](#)

NOTE: This LV/119 Cumberbund is designed for use with a front and rear LV/119 plate bag. The Hook & Loop MOLLE Cumberbund was designed to be a lightweight and simple load carriage solution for the LV/119 series of vests. Using the widely adopted MOLLE system, the cumberbund offers almost infinite configurations for mission needs by utilizing any MOLLE accessory that can be found on the market. The cumberbund is designed to allow simultaneous use of the same MOLLE cell for products mounted on the inside and outside of the cumberbund. The Hook & Loop MOLLE Cumberbund features premium, Berry Amendment Compliant materials sourced from industry leaders in textiles' manufacturing. Cumberbund Attachment The cumberbund attachment is a proprietary system that allows for the use of all of our cumberbunds, as well as allowing for a wide range of adjustment. The cumberbund attaches inside the plate bag, which is advantageous for a few reasons. There is no external mounting that can get snagged or rip off when exiting vehicles in haste. The design creates a smooth profile when worn underneath clothing. Hook & Loop is not utilized as an attachment method on the rear plate bag. Hook & Loop wears out over time and is a generally less-than-optimal attachment method when not supported in other ways. Hook & Loop doesn't handle weight well and it sticks to everything, especially cloth seats. Sizing The cumberbund comes in two sizes: Size 1 and Size 2, each offering up to 14 inches of total adjustment. This allows for a proper fitment for all body types. To figure our appropriate sizing, take measurement of the waist at the belly button. When measuring, users should dress as they would while actually wearing the carrier. For example, if the user is operating in arctic environments, they should be wearing cold weather equipment when measuring. Size 1: 28" to 42" Size 2: 40" to 54" SOLD AS A SET. If your waist measurement is 42", we suggest going up to the Size 2 cumberbund. NOTE: The LV119 Cumberbund is part of the LV119 Plate Carrier System. This item does not include a Front Plate Bag, Rear Plate Bag, Shoulder Covers, Placards, or any other accessories. Additional components are required for proper use. Some images shown with optional accessories, sold separately.

# MOLLE Hook & Loop Cumberbund Safety Instructions

## Introduction

Thank you for choosing the MOLLE Hook & Loop Cumberbund (Size 2) Multicam Tropic. This product is designed to enhance your load carriage capabilities while ensuring safety and comfort. Please read this safety instruction guide carefully to understand how to use and maintain the cumberbund safely and effectively.

## General Safety Guidelines

- **Product Safety:** Ensure that the cumberbund is used as intended. This product is not a toy and should not be used by children without adult supervision.
- **Enhanced Recalls:** Stay informed about any product recalls. If you receive a recall notice, follow the instructions provided.
- **Online Shopping:** When purchasing online, ensure that you are buying from authorized retailers to guarantee that you receive a safe and compliant product.
- **Special Consumer Focus:** Extra care should be taken when using this product with vulnerable groups, such as children. Ensure that they do not have access to the cumberbund without supervision.
- **EU Contact Point:** For any safety inquiries, please refer to the contact information provided by the retailer or manufacturer.
- **Rapid Alerts:** Keep an eye on updates regarding product safety through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Proper Fit:** Measure your waist at the belly button to ensure proper sizing. Size 2 fits waist measurements from 40" to 54". If your waist measures 42", consider using Size 2.
- **Avoid Overloading:** Do not exceed the recommended load capacity of the cumberbund. Overloading can lead to failure of the attachment system.
- **Check for Wear and Tear:** Regularly inspect the cumberbund for any signs of damage or wear. Replace it if any components are frayed or compromised.
- **Avoid Hook & Loop Wear:** The Hook & Loop attachment can wear out over time. Ensure it is securely fastened and check for any signs of deterioration.
- **Be Cautious with Clothing:** The Hook & Loop may stick to clothing and seats. Be careful when wearing the cumberbund over fabric to avoid snagging.

## Instructions for Installation and Usage

1. **Preparation:** Before installing the cumberbund, ensure you are wearing the appropriate clothing that you would wear during use.
2. **Measuring Size:** Use a measuring tape to measure your waist at the belly button for accurate sizing.
3. **Attaching the Cumberbund:**
  - Open the front and rear LV/119 plate bags.
  - Insert the cumberbund into the designated attachment points inside the plate bag.
  - Adjust the cumberbund for a snug fit, ensuring it does not restrict movement.
4. **Securing the Cumberbund:**
  - Ensure that the Hook & Loop is securely fastened.
  - Check that the cumberbund is properly aligned and does not interfere with other equipment.
5. **Final Check:** Once attached, move around to ensure that the cumberbund is comfortable and does not shift or come loose.

## Disposal Instructions

- **Environmental Responsibility:** Dispose of the cummerbund in accordance with local regulations regarding textile waste.
- **Recycling:** If possible, recycle the materials according to your local recycling guidelines.
- **Safe Disposal:** If the cummerbund is damaged beyond use, ensure it is disposed of safely to prevent any potential hazards.

## Contact Information for Further Support

For any questions or concerns regarding the MOLLE Hook & Loop Cummerbund, please refer to the contact information provided by the retailer or manufacturer. It is important to reach out for assistance to ensure safe and effective use of the product.

By following these safety instructions, you can maximize the effectiveness of your MOLLE Hook & Loop Cummerbund while ensuring your safety and comfort during use. Thank you for your attention to these important guidelines.
