

MOLLE HOOK & LOOP CUMMERBUND - SPIRITUS SYSTEMS MOLLE HOOK & LOOP CUMMERBUND (SIZE 2) - WOLF GREY

[Home](#)

NOTE: This LV/119 Cummerbund is designed for use with a front and rear LV/119 plate bag. The Hook & Loop MOLLE Cummerbund was designed to be a lightweight and simple load carriage solution for the LV/119 series of vests. Using the widely adopted MOLLE system, the cummerbund offers almost infinite configurations for mission needs by utilizing any MOLLE accessory that can be found on the market. The cummerbund is designed to allow simultaneous use of the same MOLLE cell for products mounted on the inside and outside of the cummerbund. The Hook & Loop MOLLE Cummerbund features premium, Berry Amendment Compliant materials sourced from industry leaders in textiles' manufacturing. Cummerbund Attachment The cummerbund attachment is a proprietary system that allows for the use of all of our cummerbunds, as well as allowing for a wide range of adjustment. The cummerbund attaches inside the plate bag, which is advantageous for a few reasons. There is no external mounting that can get snagged or rip off when exiting vehicles in haste. The design creates a smooth profile when worn underneath clothing. Hook & Loop is not utilized as an attachment method on the rear plate bag. Hook & Loop wears out over time and is a generally less-than-optimal attachment method when not supported in other ways. Hook & Loop doesn't handle weight well and it sticks to everything, especially cloth seats. Sizing The cummerbund comes in two sizes: Size 1 and Size 2, each offering up to 14 inches of total adjustment. This allows for a proper fitment for all body types. To figure our appropriate sizing, take measurement of the waist at the belly button. When measuring, users should dress as they would while actually wearing the carrier. For example, if the user is operating in arctic environments, they should be wearing cold weather equipment when measuring. Size 1: 28" to 42" Size 2: 40" to 54" SOLD AS A SET. If your waist measurement is 42", we suggest going up to the Size 2 cummerbund. NOTE: The LV119 Cummerbund is part of the LV119 Plate Carrier System. This item does not include a Front Plate Bag, Rear Plate Bag, Shoulder Covers, Placards, or any other accessories. Additional components are required for proper use. Some images shown with optional accessories, sold separately.

MOLLE Hook & Loop Cumberbund Safety Instructions

Introduction

Thank you for choosing the MOLLE Hook & Loop Cumberbund from Spiritus Systems. This product is designed to enhance your load carriage capabilities while ensuring safety and comfort during use. Please read this safety instruction guide carefully to understand how to use the cumberbund safely and effectively.

General Safety Guidelines

- **Product Safety:** Ensure safe use of the cumberbund by following all instructions and guidelines.
- **Enhanced Recalls:** Stay informed about any product recalls. If you receive a recall notice, follow the instructions provided.
- **Online Shopping:** If purchased online, confirm that the seller complies with safety requirements.
- **Special Consumer Focus:** This product is not intended for children. Keep out of reach of minors.
- **EU Contact Point:** For any safety inquiries, refer to the contact point provided by the retailer.
- **Rapid Alerts:** Check the EU's Safety Gate platform for updates on unsafe products.

Specific Safety Precautions for Use

- **Proper Sizing:** Measure your waist at the belly button to ensure the correct size. The cumberbund is available in two sizes:
 - Size 1: 28" to 42"
 - Size 2: 40" to 54"
- **Wear Appropriate Clothing:** When measuring for size, wear clothing similar to what you will be using while wearing the carrier.
- **Avoid Overloading:** Do not exceed the recommended weight limits as Hook & Loop does not handle weight well.
- **Check for Damage:** Regularly inspect the cumberbund for wear and tear. Replace if any damage is found.
- **Avoid Hook & Loop on the Rear Plate Bag:** Do not use Hook & Loop as an attachment method on the rear plate bag to prevent wear and potential failure.

Instructions for Installation and Usage

1. Attachment:

- Attach the cumberbund inside the front and rear LV/119 plate bags.
- Ensure the attachment is secure and not at risk of snagging on external objects.

2. Adjustment:

- Adjust the cumberbund for a snug fit, allowing up to 14 inches of total adjustment.
- Ensure that the cumberbund fits comfortably without restricting movement.

3. Wearing the Cumberbund:

- Wear the cumberbund underneath clothing for a smooth profile.
- Ensure that the cumberbund does not interfere with any equipment or accessories.

4. Using MOLLE Accessories:

- Utilize any MOLLE accessories as needed for your mission requirements.
- Ensure that accessories are securely attached and do not obstruct movement.

Disposal Instructions

- Dispose of the cummerbund responsibly. Follow local regulations for textile disposal.
- If the product is damaged beyond use, consider recycling options if available.

Contact Information for Further Support

For additional support or inquiries regarding safety and usage, please refer to the retailer from whom you purchased the MOLLE Hook & Loop Cummerbund. They will provide the necessary assistance and information regarding your product.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities. Enjoy your experience with the MOLLE Hook & Loop Cummerbund!
