

FAST MICRO-S MOUNT SYSTEM - UNITY TACTICAL FAST MICRO-S MOUNT FOR AIMPOINT COMPM5 MINI RED DOT FDE

[Optics & Mounting](#) > [Electronic Sights](#) > [Mounting Hardware](#)

FAST is a series of optics mounts and platforms that provide end users with a quicker sight picture than standard height mounts. The FAST Micro Mount creates a 2.26" optical center line from the rail and provides faster/easier dot/reticle acquisition while wearing night vision goggles, gas masks, plate carriers, and other gear. FAST mounts allow for more rapid visual processing of the battlefield by promoting a heads-up posture. The FAST Micro-S Mount is specifically designed for the Aimpoint CompM5s, CompM5b, and Duty RDS mini red dot sights. It puts these taller "micro" sights at the established FAST height and is fully compatible with the entire line of FAST Magnifier Mounts. The FAST Micro-S Mount can also be fitted with a Quick Detach Lever (sold separately). Interface: Aimpoint CompM5s, CompM5b, Duty RDS Height" 2.26" to optical center line 7075 T6 Aluminum Type III Hardcoat Anodized Weighs 2.3 oz

Safety Instruction Guide for FAST MicroS Mount System

Introduction

Thank you for choosing the FAST MicroS Mount System by UNITY TACTICAL. This guide provides essential safety instructions, installation procedures, and usage recommendations to ensure your safety and the optimal performance of your product. Please read this guide carefully before use.

General Safety Guidelines

- **Product Safety:** Ensure that the FAST MicroS Mount is used only for its intended purpose. Misuse can lead to accidents or injuries.
- **Enhanced Recalls:** Stay informed about product recalls. If notified of a recall, follow the instructions provided for safe return or disposal.
- **Online Shopping:** If purchased online, ensure that the seller complies with safety requirements as outlined by EU regulations.
- **Special Consumer Focus:** This product is not intended for children. Keep out of reach of minors to prevent accidental use.
- **EU Contact Point:** For any safety inquiries, refer to the contact point provided by the retailer or manufacturer.
- **Rapid Alerts:** Regularly check the EU Safety Gate platform for updates on product safety and recalls.

Specific Safety Precautions for Use

- **Proper Use:** Only use the FAST MicroS Mount with compatible sights: Aimpoint CompM5s, CompM5b, and Duty RDS.
- **Installation:** Follow installation instructions carefully to avoid improper mounting, which can lead to equipment failure.
- **Inspection:** Regularly inspect the mount for signs of wear or damage. Do not use if damaged.
- **Environmental Conditions:** Avoid using the mount in extreme weather conditions that may affect its performance.
- **Handling:** Handle the mount with care to prevent dropping or damaging it.

Instructions for Installation and Usage

1. **Preparation:** Ensure that you have the necessary tools for installation, including a screwdriver and any additional tools specified by the manufacturer.
2. **Mounting the Sight:**
 - Align the FAST MicroS Mount with the rail of your firearm.
 - Secure the mount using the provided screws, ensuring it is tightly fastened.
 - If using a Quick Detach Lever (sold separately), follow the specific instructions included with that accessory.
3. **Adjusting the Height:**
 - The optical center line of the mount is set at 2.26 inches. Ensure that this height is appropriate for your sighting needs.
4. **Final Inspection:**
 - After installation, doublecheck that all screws are tightened and that the mount is securely attached to the firearm.
 - Test the sight for proper alignment and functionality before use.
5. **Usage:**
 - When aiming, ensure that your head is in a natural position to promote rapid visual processing.
 - Be aware of your surroundings and maintain a safe posture while using the firearm with the

mounted sight.

Disposal Instructions

- Dispose of the FAST MicroS Mount according to local regulations for electronic waste. Do not dispose of with regular household waste.
- If the mount is damaged or no longer functional, consult local authorities for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the FAST MicroS Mount System, please consult the retailer or manufacturer from whom you purchased the product. They will be able to provide you with the necessary assistance and information.

Thank you for prioritizing safety and following these guidelines. Enjoy your experience with the FAST MicroS Mount System.
