The Next Level Armament NLX556 AR-15 Ambi Charging Handle-Economy is a charging handle that is very similar to our original NLX556 Charging Handle with a new “ear” design. Still manufactured with 7075 aluminum, we were able to make some small tweaks to the “ears” while keeping the aggressive feel. These minor changes made it possible to bring this charging handle to market at a lower cost.

Safety Instruction Guide for AR15 Simplified Ambidextrous Charging Handle

Introduction

Thank you for choosing the Next Level Armament NLX556 AR15 Ambi Charging Handle. This product is designed for safe and efficient use with your AR15 platform. Please read this safety instruction guide carefully to ensure proper handling, installation, and maintenance of your charging handle.

General Safety Guidelines

- Always ensure the firearm is unloaded before handling the charging handle.
- Keep the charging handle and all firearm components out of reach of children and unauthorized users.
- Use protective eyewear when handling firearms and accessories.
- Do not modify the charging handle or any firearm components.
- Regularly inspect the charging handle for signs of wear or damage.
- Follow all local laws and regulations regarding firearm accessories.

Specific Safety Precautions for Use

- Ensure that the charging handle is compatible with your AR15 model before installation.
- Avoid excessive force when operating the charging handle to prevent damage.
- Do not use the charging handle if it shows any signs of damage or malfunction.
- Always operate the firearm in a safe environment, free from distractions.
- If you experience any issues during use, cease operation and consult a qualified gunsmith.

Instructions for Installation and Usage

Installation

1. **Safety First:** Ensure the firearm is unloaded and pointed in a safe direction.
2. **Remove Existing Charging Handle:**
 - Open the upper receiver of the AR15.
 - Pull back the bolt carrier group slightly to access the existing charging handle.
 - Remove the existing charging handle by pulling it out of the receiver.
3. **Install the NLX556 Charging Handle:**
 - Align the NLX556 charging handle with the receiver.
 - Insert the charging handle into the receiver and push it forward until it is fully seated.
4. **Test Functionality:**
 - Pull back the charging handle to ensure it operates smoothly.
 - Check that the bolt carrier group cycles correctly.

Usage

- To charge the firearm, pull the charging handle fully to the rear and release it to allow the bolt to return to battery.
- Always ensure your finger is off the trigger until you are ready to fire.
- After firing, use the charging handle to cycle the action and prepare for the next shot.

Disposal Instructions

- Dispose of the charging handle in accordance with local regulations.
- Do not dispose of the charging handle in regular household waste.

- Contact local recycling centers for proper disposal methods of aluminum products.
