## BENBENCH REST SEATER DIE

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Forster Bench Rest Reloading Dies are of excellent quality and provide the reloader with the ability to produce concentric rounds time and time again. Each die is manufactured from the finest quality steel carefully machined to very tight tolerances. Dies are hand polished both before and after the heat-treating process to guarantee an extra fine finish. All Forster reloading dies feature their Forster Cross Bolt Die Locking Ring that tightens the two ends of the split ring instead of tightening a screw directly into the threads of the die. Forster Bench Rest Seater Dies were the first of their kind to utilize a close fitting chamber that holds the case, the bullet and the seating stem all in perfect alignment. This support system allows the reloader to produce exceptionally straight ammunition. Conventional seating dies with a fixed chamber and seating system may start your bullet into the case neck at an angle. They lack the support the Forster Bench Rest Seater provides.

### Attributes

- Name: [FORSTER PRODUCTS, INC. 22 GT BENBENCH REST SEATER DIE](#)
- Manufacturer: [FORSTER PRODUCTS, INC.](#)
- Product no.: 430102672
- Mfr. No.: 5836

# Safety Instruction Guide for BENCH REST® SEATER DIES

## Introduction

Thank you for choosing the Forster Bench Rest® Seater Dies for your reloading needs. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of this product. Please read this manual carefully and follow all safety precautions.

## General Safety Guidelines

- Always handle reloading equipment with care to prevent accidents.
- Ensure that your workspace is clean, organized, and free from distractions.
- Keep the product out of reach of children and vulnerable individuals.
- Always wear appropriate safety gear, including safety glasses and gloves, when using reloading equipment.
- Regularly inspect your equipment for wear or damage before use.
- Follow all manufacturer instructions and guidelines provided with the product.
- Report any unsafe products or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- **Hazard Identification:**
  - Risk of injury from sharp edges and moving parts.
  - Risk of ammunition malfunction if not used correctly.
- **Avoiding Hazards:**
  - Always ensure that the die is securely fastened before use.
  - Do not attempt to modify or repair the die yourself.
  - Keep hands and other body parts away from moving parts during operation.
  - Use the dies only with the appropriate cartridges as specified by the manufacturer.
  - Never exceed the recommended load specifications.
- **AgeSpecific Warnings:**
  - This product is intended for adult use only. Keep it out of reach of children.

## Instructions for Installation and Usage

- **Installation:**
  - Ensure your reloading press is securely mounted.
  - Clean the die and press threads before installation.
  - Thread the die into the press until it is snug; do not overtighten.
  - Adjust the die according to the manufacturer's instructions for your specific cartridge.
- **Usage:**
  - Ensure that you are using the correct cartridge (22 GT) for this die.
  - Place the case into the die and ensure it is properly aligned.
  - Insert the bullet into the case mouth.

- Use the seating stem to push the bullet into the case while maintaining alignment.
- Check for proper seating depth and alignment after each round.
- Clean the die periodically to prevent buildup of residue.

## **Disposal Instructions**

- Dispose of any damaged or worn components according to local regulations.
- Do not throw away the product in regular trash if it is considered hazardous.
- Contact your local waste management facility for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the use of the BENCH REST® SEATER DIES, please refer to the contact information provided by the manufacturer. Ensure you have the product details available for faster assistance.

Thank you for your attention to these safety guidelines. Your safety and satisfaction are our priorities. Happy reloading!
