

BENCH REST® SEATER DIES - FORSTER PRODUCTS, INC. 6 GT

BENCH REST SEATING DIE

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Forster Bench Rest Reloading Dies are of excellent quality and provide the reloader with the ability to produce concentric rounds time and time again. Each die is manufactured from the finest quality steel carefully machined to very tight tolerances. Dies are hand polished both before and after the heat-treating process to guarantee an extra fine finish. All Forster reloading dies feature their Forster Cross Bolt Die Locking Ring that tightens the two ends of the split ring instead of tightening a screw directly into the threads of the die. Forster Bench Rest Seater Dies were the first of their kind to utilize a close fitting chamber that holds the case, the bullet and the seating stem all in perfect alignment. This support system allows the reloader to produce exceptionally straight ammunition. Conventional seating dies with a fixed chamber and seating system may start your bullet into the case neck at an angle. They lack the support the Forster Bench Rest Seater provides.

Attributes

- Name: [FORSTER PRODUCTS, INC. 6 GT BENCH REST SEATING DIE](#)
- Manufacturer: [FORSTER PRODUCTS, INC.](#)
- Product no.: 430102673
- Mfr. No.: 5948

Safety Instruction Guide for BENCH REST® SEATER DIES

Introduction

Thank you for choosing the BENCH REST® SEATER DIES by Forster Products, Inc. This guide provides essential safety instructions and guidelines to ensure safe and effective use of the product. Please read this document carefully before using the dies.

General Safety Guidelines

- **Product Safety:** Always ensure that the product is used according to the manufacturer's instructions to prevent any accidents or injuries.
- **Enhanced Recalls:** Stay informed about any potential recalls or safety notices related to this product. Check the EU's Safety Gate platform regularly.
- **Online Shopping:** If purchased online, confirm that the seller complies with safety regulations equivalent to those of physical stores.
- **Special Consumer Focus:** This product is not intended for use by children. Keep all reloading equipment out of reach of minors.
- **EU Contact Point:** For any safety inquiries, refer to the relevant EU-based contact point for assistance.
- **Rapid Alerts:** Monitor updates on unsafe products through the Safety Gate system.

Specific Safety Precautions for Use

- **Read Instructions:** Always read and understand the instructions before using the dies.
- **Wear Safety Gear:** Use appropriate safety gear, including safety glasses and gloves, to protect yourself from potential hazards while reloading.
- **Work in a Safe Environment:** Ensure that your work area is clean, well-lit, and free from distractions.
- **Check Equipment:** Regularly inspect your dies and reloading equipment for any signs of wear or damage. Do not use damaged tools.
- **Avoid Overloading:** Follow the recommended specifications for cartridge dimensions and avoid overloading the dies.
- **Keep Away from Children:** Store all reloading components, including the dies, in a secure location out of the reach of children.
- **Proper Ventilation:** Ensure proper ventilation when reloading to avoid inhaling any harmful fumes or dust.

Instructions for Installation and Usage

1. Setup:

- Ensure that your reloading press is securely mounted and stable.
- Clean the dies and ensure they are free from any debris or contaminants.

2. Installation:

- Carefully screw the BENCH REST® SEATER DIE into the reloading press, ensuring it is securely tightened.
- Adjust the seating stem to the desired depth according to the specifications for your cartridge.

3. Reloading Process:

- Insert the case into the die and ensure it is properly seated.

- Place the bullet on top of the case, ensuring proper alignment.
- Pull the handle of the reloading press to seat the bullet. Check that the bullet is seated straight and at the correct depth.
- Remove the completed round and inspect it for quality.

4. Cleaning:

- After use, clean the dies with a soft cloth to remove any residues.
- Store the dies in a dry, safe location to prevent rust and damage.

Disposal Instructions

- Dispose of any unused or expired reloading components according to local regulations.
- Do not dispose of hazardous materials in regular household waste. Contact your local waste management facility for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the BENCH REST® SEATER DIES, please refer to the manufacturer's website or customer service for assistance.

By following these safety instructions, you can ensure a safe and effective reloading experience. Thank you for choosing Forster Products, Inc.
