

BENCH REST® SEATER DIES - FORSTER PRODUCTS, INC. 277 FURY BENCH REST SEATING DIE

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Forster Bench Rest Reloading Dies are of excellent quality and provide the reloader with the ability to produce concentric rounds time and time again. Each die is manufactured from the finest quality steel carefully machined to very tight tolerances. Dies are hand polished both before and after the heat-treating process to guarantee an extra fine finish. All Forster reloading dies feature their Forster Cross Bolt Die Locking Ring that tightens the two ends of the split ring instead of tightening a screw directly into the threads of the die. Forster Bench Rest Seater Dies were the first of their kind to utilize a close fitting chamber that holds the case, the bullet and the seating stem all in perfect alignment. This support system allows the reloader to produce exceptionally straight ammunition. Conventional seating dies with a fixed chamber and seating system may start your bullet into the case neck at an angle. They lack the support the Forster Bench Rest Seater provides.

Attributes

- Name: [FORSTER PRODUCTS, INC. 277 FURY BENCH REST SEATING DIE](#)
- Manufacturer: [FORSTER PRODUCTS, INC.](#)

Safety Instruction Guide for BENCH REST® SEATER DIES

Introduction

Thank you for choosing the BENCH REST® SEATER DIES by Forster Products, Inc. This guide is designed to provide you with essential safety information to ensure safe and effective use of this product. Please read this guide thoroughly before using the product.

General Safety Guidelines

- Ensure that you are familiar with all components of the BENCH REST® SEATER DIES before use.
- Always wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when handling reloading dies.
- Keep the workspace clean and organized to prevent accidents.
- Ensure that the product is used only for its intended purpose.
- Store the dies in a safe and dry location, away from children and vulnerable individuals.
- Regularly inspect the dies for damage or wear before each use. Do not use damaged equipment.

Specific Safety Precautions for Use

- Use the BENCH REST® SEATER DIES only with compatible cartridges. This product is specifically designed for the 277 Fury cartridge.
- Follow the manufacturer's instructions for reloading to avoid overcharging or undercharging cases.
- Always ensure that the die is securely installed in the reloading press before use.
- Avoid placing hands or fingers near the reloading press while it is in operation.
- Ensure that the bullet is seated straight and aligned properly in the case to avoid misfires or accidents.
- Do not attempt to modify the die or its components in any way.

Instructions for Installation and Usage

1. Installation:

- Carefully unpack the BENCH REST® SEATER DIES and inspect for any damage.
- Securely install the die in your reloading press according to the manufacturer's instructions.
- Adjust the die to the desired position for bullet seating.

2. Usage:

- Prepare the cases by ensuring they are clean and free of obstructions.
- Insert the case into the die, ensuring that it is seated properly.
- Place the bullet into the case mouth.
- Operate the reloading press to seat the bullet. Ensure that the bullet is seated straight and in alignment.
- Remove the loaded round from the die and inspect for proper seating.

3. PostUsage:

- Clean the die after each use to prevent residue buildup.
- Store the die in a protective case or box to prevent damage.

Disposal Instructions

- Dispose of any used or damaged components in accordance with local regulations.
- Do not dispose of reloading materials in regular household waste.
- Contact your local waste management authority for guidance on proper disposal methods.

Contact Information for Further Support

For any inquiries related to safety or product support, please refer to the manufacturer's contact information provided with the product packaging or visit the official Forster Products website.

By following these safety instructions, you can ensure a safe and effective reloading experience with the BENCH REST® SEATER DIES. Always prioritize safety and seek assistance if you are unsure about any aspect of the product's use. Thank you for your attention to these important safety guidelines.
