

# FULL LENGTH SIZING AND BENCH REST SEATER DIE SETS - FORSTER PRODUCTS, INC. 280 ACKLEY IMPROVED FULL LENGTH BENCH REST DIE SET

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Forster Bench Rest Reloading Dies are of excellent quality and provide the reloader with the ability to produce concentric rounds time and time again. Each die is manufactured from the finest quality steel carefully machined to very tight tolerances. Dies are hand polished both before and after the heat-treating process to guarantee an extra fine finish. All Forster reloading dies feature their Forster Cross Bolt Die Locking Ring that tightens the two ends of the split ring instead of tightening a screw directly into the threads of the die. A full length two die set is the die set beginning reloaders should start with, and the die set most hunters and many target shooters use every time they reload their cases. These Forster full length die sets include a full length sizing die and the Forster Bench Rest seater die. Forster full length sizers feature hand polishing and the E-Z case neck expander system - a Forster exclusive. NATIONAL MATCH DIES reduce headspace by .003" and are intended for bolt action target rifles only.

## Attributes

- Name: [FORSTER PRODUCTS, INC. 280 ACKLEY IMPROVED FULL LENGTH BENCH REST DIE SET](#)
- Manufacturer: [FORSTER PRODUCTS, INC.](#)
- Product no.: 430102683

# Safety Instruction Guide for Forster Full Length Sizing and Bench Rest Seater Die Sets

## Introduction

Thank you for choosing the Forster Full Length Sizing and Bench Rest Seater Die Sets. These products are designed to ensure precision and safety during the reloading process. This guide provides essential safety instructions and guidelines to ensure safe and effective use of the product in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always read and understand all instructions before using the die sets.
- Keep the die sets out of reach of children and vulnerable individuals.
- Ensure a clean and organized workspace to prevent accidents.
- Use appropriate personal protective equipment, including safety glasses and gloves, when reloading.
- Be aware of potential hazards associated with reloading, including the handling of firearms and ammunition.

## Specific Safety Precautions for Use

- **Potential Hazards:**
  - Improper use of reloading dies can lead to dangerous ammunition.
  - Always ensure that the die set is compatible with the cartridge you are using.
- **Instructions for Avoiding Hazards:**
  - Doublecheck your equipment setup before beginning the reloading process.
  - Do not exceed recommended loads as specified in reliable reloading manuals.
  - Avoid distractions while reloading to maintain focus and attention.
  - Store all components, including powder and primers, in a safe and secure location.

## Instructions for Installation and Usage

- **Installation:**
  1. Ensure that your reloading press is compatible with the Forster die sets.
  2. Follow the manufacturer's instructions for securely mounting the dies in your reloading press.
  3. Confirm that the dies are properly adjusted for the specific cartridge you are reloading.
- **Usage:**
  - Use the full length sizing die to resize the cases before reloading.
  - Employ the Forster Bench Rest seater die to seat the bullets accurately.
  - Regularly inspect your dies for wear and damage. Replace any worn or damaged components immediately.
  - Clean the dies after each use to maintain optimal performance and safety.

## Disposal Instructions

- Dispose of any unused or expired components in accordance with local regulations.
- Do not throw away or abandon hazardous materials, such as primers or powders, in regular waste.
- Contact your local waste management authority for guidance on the safe disposal of reloading materials.

## Contact Information for Further Support

For any safety inquiries or assistance regarding the use of this product, please reach out to the designated EU contact point for Forster Products, Inc.

## Conclusion

Following these safety instructions will help ensure a safe and effective reloading experience with your Forster Full Length Sizing and Bench Rest Seater Die Sets. Always prioritize safety and adhere to best practices while reloading. Thank you for choosing Forster Products.
