

# FULL LENGTH SIZING AND BENCH REST SEATER DIE SETS - FORSTER PRODUCTS, INC. 6MM ARC FULL LENGTH BENCH REST DIE SET

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Forster Bench Rest Reloading Dies are of excellent quality and provide the reloader with the ability to produce concentric rounds time and time again. Each die is manufactured from the finest quality steel carefully machined to very tight tolerances. Dies are hand polished both before and after the heat-treating process to guarantee an extra fine finish. All Forster reloading dies feature their Forster Cross Bolt Die Locking Ring that tightens the two ends of the split ring instead of tightening a screw directly into the threads of the die. A full length two die set is the die set beginning reloaders should start with, and the die set most hunters and many target shooters use every time they reload their cases. These Forster full length die sets include a full length sizing die and the Forster Bench Rest seater die. Forster full length sizers feature hand polishing and the E-Z case neck expander system - a Forster exclusive. NATIONAL MATCH DIES reduce headspace by .003" and are intended for bolt action target rifles only.

## Attributes

- Name: [FORSTER PRODUCTS, INC. 6MM ARC FULL LENGTH BENCH REST DIE SET](#)
- Manufacturer: [FORSTER PRODUCTS, INC.](#)
- Product no.: 430102685
- Mfr. No.: 4178

# Safety Instruction Guide for Forster Products, Inc. 6MM ARC Full Length Bench Rest Die Set

## Introduction

Thank you for choosing the Forster Products, Inc. 6MM ARC Full Length Bench Rest Die Set. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your reloading dies. Please read this manual carefully and keep it for future reference.

## General Safety Guidelines

- **Product Safety:** This product is designed to be safe for use when following the instructions provided. Ensure that you understand these guidelines to minimize any risks associated with reloading.
- **Enhanced Recalls:** In the event of a safety concern, recall notices will be issued. Please stay informed about any updates regarding your product.
- **Online Shopping:** If purchased online, ensure that the seller complies with safety regulations equivalent to those of physical stores.
- **Special Consumer Focus:** Extra care should be taken when this product is used by individuals who may be vulnerable, such as children. Keep all reloading equipment out of reach of children.
- **EU Contact Point:** For any safety inquiries, please refer to the appropriate EU-based contact point.
- **Rapid Alerts:** Stay updated on unsafe products through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always wear appropriate safety gear, including safety glasses and gloves, when reloading ammunition.
- Ensure your workspace is clean, organized, and free from distractions.
- Keep all reloading components, including powders and primers, stored safely and securely.
- Do not exceed recommended load specifications provided in reputable reloading manuals.
- Use only compatible components with your die set to avoid malfunctions or unsafe conditions.
- Inspect all equipment before use for any signs of wear or damage.
- Do not modify or alter the dies or any associated equipment.

## Instructions for Installation and Usage

### 1. Installation of the Die Set

- Read the manufacturer's instructions thoroughly before installation.
- Ensure your reloading press is securely mounted to a stable surface.
- Install the sizing die by threading it into the press and tightening it securely.
- Install the seater die in the same manner, ensuring it is properly aligned.

### 2. Using the Full Length Sizing Die

- Insert a clean, empty cartridge case into the shell holder.
- Pull the handle of the press down to size the case, ensuring it is fully seated in the die.
- Remove the case and check for proper sizing.

### 3. Using the Bench Rest Seater Die

- Place a bullet on the mouth of the sized cartridge case.
- Insert the cartridge into the shell holder and raise the handle to seat the bullet.
- Check the overall length of the cartridge to ensure it meets your specifications.

#### **4. PostReloading Checks**

- Inspect each completed round for proper seating and overall length.
- Store completed ammunition in a safe and secure location.

### **Disposal Instructions**

- Dispose of any unused or expired reloading components and materials according to local regulations.
- Do not throw away hazardous materials in regular trash. Follow local guidelines for hazardous waste disposal.

### **Contact Information for Further Support**

For additional support or safety inquiries, please refer to the appropriate EUbased contact point for Forster Products, Inc.

Thank you for your attention to these safety instructions. By following these guidelines, you can enjoy safe and effective reloading with your Forster Products, Inc. 6MM ARC Full Length Bench Rest Die Set.
