

# FREEDOM RINGS II - SWAMPFOX OPTICS FREEDOM RINGS II 30MM (1.6") 0 MOA BLACK

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Scope Rings](#)

Swampfox Freedom Rings II cut the fat off our original Freedom Rings for a lighter, more efficient mounting solution without cutting durability. Freedom Rings II are milled from 7075-T6 aluminum and feature a scratch resistant hardcoat finish. This grade of aluminum and finish match with AR-15 receivers, so we reckon it's good enough to be our standard for Freedom Rings II. These rings don't need to be lapped and come with a thin no-slip material pre-installed to help your optic stay level while torquing your ring caps. Never sacrifice strength, weight, or appearance when you can have it all with our one-and-done second-gen scope rings.

## Attributes

- Name: [SWAMPFOX OPTICS FREEDOM RINGS II 30MM \(1.6"\) 0 MOA BLACK](#)
- Manufacturer: [SWAMPFOX OPTICS](#)
- Product no.: 430102720
- Mfr. No.: MRF30-M2
- Finish: Black
- Material: Aircraft Aluminum
- Scope Tube Diameter: 30mm
- Delivery weight: 0.222kg
- Shipping height: 75mm
- Shipping width: 59mm
- Shipping length: 85mm
- UPC: 889157002262

# Safety Instruction Guide for FREEDOM RINGS II SWAMPFOX OPTICS

## Introduction

Thank you for choosing the FREEDOM RINGS II SWAMPFOX OPTICS. This guide provides important safety instructions and guidelines to ensure the safe and effective use of this product. Please read this document carefully before using the scope rings.

## General Safety Guidelines

- Ensure that the product is used for its intended purpose only.
- Always follow the manufacturer's instructions for installation and usage.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for signs of wear or damage before use.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about any recall updates via the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Material Safety:** The FREEDOM RINGS II are made from Aircraft Aluminum. Ensure that you are not allergic to aluminum or any of the materials used in the product.
- **Weight Consideration:** These rings are designed to be lightweight. Ensure that your mounting solution can support the weight of your optic.
- **Installation Surface:** Always install the rings on a stable and secure surface to avoid accidents during installation.
- **Torque Specifications:** Follow the recommended torque specifications when tightening the ring caps to prevent damage to the scope or rings.
- **NoLap Feature:** The noslip material is preinstalled; do not remove it as it contributes to the stability of your optic.

## Instructions for Installation and Usage

1. **Unboxing:** Carefully remove the FREEDOM RINGS II from the packaging. Inspect for any visible damage.
2. **Preparation:** Ensure that your scope and rifle are clean and free of debris before installation.
3. **Mounting the Rings:**
  - Align the rings with the mounting base on your rifle.
  - Use the provided screws to attach the rings to the base.
  - Do not overtighten; refer to the torque specifications provided by the manufacturer.
4. **Attaching the Scope:**
  - Place your scope into the rings.
  - Adjust the position of the scope for proper eye relief.
  - Tighten the ring caps gently, ensuring the scope remains level.
5. **Final Checks:**
  - Once installed, check the alignment and stability of the scope.
  - Make any necessary adjustments before taking the rifle to the range.
6. **Regular Maintenance:** Periodically check the tightness of the ring caps and inspect for any signs of wear.

## Disposal Instructions

- Dispose of the product in accordance with local waste management regulations.
- Do not dispose of the product in regular household waste.

- Consider recycling the aluminum material where facilities are available.

## **Contact Information for Further Support**

For any questions or concerns regarding the FREEDOM RINGS II SWAMPFOX OPTICS, please reach out to the manufacturer or your point of purchase for assistance. Ensure you have the product details ready for a more efficient response.

Thank you for your attention to these safety instructions. Enjoy your experience with the FREEDOM RINGS II SWAMPFOX OPTICS and ensure safe usage at all times.
