LONG ULTRA ACTION BOTTOM METAL ASSEMBLY W/INTERNAL MAGAZINE SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the LONG ULTRA ACTION BOTTOM METAL ASSEMBLY W/INTERNAL MAGAZINE from Christensen Arms. This product is designed for use with long ultra action standard Christensen Arms and Rem 700 footprint stocks. Please read this safety instruction guide carefully to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always handle the product with care to prevent accidents and injuries.
- Keep this product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage.
- Follow all local laws and regulations regarding the use of firearms and firearm accessories.
- In case of any malfunction or unexpected behavior, discontinue use immediately and seek assistance.

Specific Safety Precautions for Use

• Installation Precautions:

- Ensure the firearm is unloaded before installing the bottom metal assembly.
- Use appropriate tools to avoid damaging the product during installation.

• Handling Precautions:

- Always treat the firearm as if it is loaded.
- Keep your finger off the trigger until ready to shoot.
- Be aware of your surroundings and ensure a safe backdrop when handling the firearm.

• Usage Precautions:

- Only use the product with compatible firearms as specified.
- Do not exceed the recommended capacity of the internal magazine.
- Avoid using damaged or modified components as they may compromise safety.

Instructions for Installation and Usage

1. Installation:

- Ensure that the firearm is completely unloaded.
- Remove the existing bottom metal assembly from your firearm.
- Align the LONG ULTRA ACTION BOTTOM METAL ASSEMBLY with the mounting points.
- Securely fasten the assembly using the appropriate screws and tools.
- Install the Carbon Fiber FFT floor plate, ensuring it is properly seated.

2. Usage:

- Load the internal magazine with appropriate ammunition, ensuring it is compatible with your firearm.
- Ensure the magazine spring and follower are correctly positioned for smooth operation.

- Test the functionality of the assembly by cycling the action without ammunition to confirm proper feeding.

3. Maintenance:

- Regularly clean the bottom metal assembly to prevent debris buildup.
- Inspect the spring and follower for wear and replace them if necessary.
- Store the firearm in a safe and secure location when not in use.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Contact your local waste management authority for guidance on proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the LONG ULTRA ACTION BOTTOM METAL ASSEMBLY, please refer to the official Christensen Arms website for support resources or contact your local retailer for assistance.

By following these safety instructions, you can ensure a safer experience with your LONG ULTRA ACTION BOTTOM METAL ASSEMBLY. Thank you for prioritizing safety and compliance.
