Safety Instruction Guide for 2" Bit Sets Fix It Sticks Metric

Introduction

Thank you for choosing the 2" Bit Sets Fix It Sticks Metric. This product is designed to expand the bit selection of your Fix It Sticks Kit. The bits are 2" in length and come in a molded polymer bit holder. This guide provides essential safety instructions to ensure the safe use of your product in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that you read and understand all instructions before using the product.
- Keep this guide for future reference.
- Use the bits only for their intended purpose. Misuse may lead to accidents or injuries.
- Inspect the bits for any signs of damage before use. Do not use damaged bits.
- Store the bits in a dry place and out of reach of children.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE) such as safety glasses when using tools.
- Avoid using the bits in wet or damp conditions to prevent slipping and accidents.
- Do not exceed the recommended torque settings when using the bits to avoid breakage or injury.
- Ensure that the bit is securely fastened in the holder before use.
- Keep hands and body clear of moving parts when using power tools with these bits.
- Follow all manufacturer instructions for any tools used in conjunction with these bits.

Instructions for Installation and Usage

1. Selecting the Bit:

- Choose the appropriate bit from the 2" Bit Pack A, B, C, or D based on your needs.
- Ensure the bit is compatible with your Fix It Sticks Kit.

2. Installing the Bit:

- Insert the chosen bit into the bit holder.
- Ensure it clicks into place securely.

3. Using the Bit:

- Attach the bit holder to your desired tool (if applicable).
- Apply firm and steady pressure while using the tool.
- Avoid excessive force; if the bit does not turn easily, stop and check for obstructions.

4. Cleaning and Maintenance:

- After use, clean the bits with a dry cloth to remove any debris.
- Store the bits in their holder to protect them from damage.

Disposal Instructions

- Dispose of any worn or damaged bits responsibly. Do not throw them in regular household waste.
- Check local regulations for proper disposal methods of metal products.
- If the product is no longer usable, consider recycling components where possible.

Contact Information for Further Support

For any safety inquiries or further assistance regarding the 2" Bit Sets Fix It Sticks Metric, please reach out to the designated EU contact point listed on the packaging or product documentation.

By following these safety instructions, you can ensure a safe and productive experience with your 2" Bit Sets Fix It Sticks Metric. Thank you for prioritizing safety!
