# Safety Instruction Guide for 2" Bit Sets Fix It Sticks

## Introduction

Thank you for choosing the 2" Bit Sets Fix It Sticks. This guide provides important safety instructions and guidelines to ensure safe and effective use of this product. Please read this document carefully before using the bits.

## General Safety Guidelines

- Always inspect the bits before use to ensure they are not damaged or worn.
- Store the bits in a dry, cool place to avoid moisture and temperature-related damage.
- Keep the bits out of reach of children and vulnerable individuals to prevent accidents.
- Do not use the bits for purposes other than intended; misuse can lead to injury or damage.
- Report any unsafe products or incidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform regularly.

## Specific Safety Precautions for Use

- **Personal Protective Equipment (PPE):**
  - Wear safety glasses to protect your eyes from debris.
  - Use gloves to protect your hands from sharp edges.
- **Handling:**
  - Handle the bits with care to avoid injury from sharp edges.
  - Do not apply excessive force when using the bits; this can lead to breakage.
- **Compatibility:**
  - Ensure that the bits are compatible with your tools before use.
  - Use the correct bit size for the job to prevent stripping screws or damaging components.

## Instructions for Installation and Usage

### 1. Selecting the Right Bit:

- Choose the appropriate bit from the 2" Bit Pack based on the type of screw or fastener you are working with (e.g., Metric Hex, SAE Hex, Torx, Philips/Flat).

### 2. Installing the Bit:

- Insert the selected bit into the Fix It Sticks holder securely.
- Ensure that the bit is locked in place before use to prevent it from falling out during operation.

### 3. Using the Bit:

- Position the bit over the screw or fastener.
- Apply steady pressure while turning the tool; do not force the bit.
- If resistance is met, stop and assess the situation rather than applying excessive force.

### 4. Post-Use Care:

- After use, clean the bits to remove any debris or residue.
- Store the bits in their molded polymer holder to keep them organized and protected.

## **Disposal Instructions**

- Dispose of any damaged or worn bits in accordance with local regulations.
- Recycle packaging materials where possible.
- Do not dispose of bits in regular household waste if they are hazardous; follow local disposal guidelines.

## **Contact Information for Further Support**

For any safety inquiries or additional support, please refer to the appropriate contact channels available in your region. Ensure to have your product details ready for efficient assistance.

By following these guidelines, you can ensure safe and effective use of your 2" Bit Sets Fix It Sticks. Thank you for your attention to safety!
