Safety Instruction Guide for 2" Bit Sets Fix It Sticks

Introduction

Thank you for choosing the 2" Bit Sets Fix It Sticks. This guide provides essential safety instructions and guidelines to ensure the safe use of this product. Please read through the instructions carefully before using the product.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the bits for wear and damage before use.
- Do not use damaged bits or holders, as this can lead to accidents.
- Always wear appropriate safety gear, such as eye protection, when using the bits.
- If you experience any discomfort or unusual reactions while using the product, discontinue use immediately and consult a professional.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- **Handling:**
 - Always handle the bits with care to avoid injury.
 - Store the bits in the provided molded polymer bit holder when not in use.
- **Usage:**
 - Ensure that the bit is securely attached to the tool before use.
 - Do not apply excessive force when using the bits, as this can cause breakage.
 - Avoid using the bits on materials for which they are not designed.
- **Cleaning and Maintenance:**
 - Clean the bits after use to prevent corrosion and ensure longevity.
 - Store the bits in a dry place to avoid moisture damage.
- **Age Restrictions:**
 - This product is not suitable for children under 12 years of age. Adult supervision is recommended.

Instructions for Installation and Usage

1. Selecting the Bit:

- Choose the appropriate bit from the 2" Bit Set based on your needs. The set includes:
 - **Metric Hex Bits:** 2mm, 2.5mm, 3mm, 4mm, 5mm, 6mm
 - **SAE Hex Bits:** 5/64, 3/32, 7/64, 1/8, 5/32, 3/16
 - **Torx Bits:** T10, T15, T20, T25, T27, T30
 - **Philips / Flat Bits:** P3, P2, P1, 4mm Flat, 5mm Flat, 6mm Flat

2. Attaching the Bit:

- Insert the selected bit into the tool's bit holder.
- Ensure that it is firmly secured before proceeding.

3. Using the Bits:

- Use the tool as per the manufacturer's instructions.
- Apply the correct amount of pressure based on the material being worked on.

4. After Use:

- Remove the bit from the tool and clean it.
- Store the bit in the molded polymer holder to protect it from damage.

Disposal Instructions

- Dispose of the product and any damaged bits in accordance with local regulations.
- Do not dispose of the bits in regular household waste. Check for recycling options available in your area.

Contact Information for Further Support

For any questions or concerns regarding the product, please reach out to the appropriate customer service or support channels available in your region. Ensure to keep your purchase information handy for reference.

Thank you for following these safety instructions. Your safety and satisfaction are our top priorities. Enjoy using your 2" Bit Sets Fix It Sticks responsibly!
