# AGENCY OPTIC SYSTEM (AOS) MOUNTING PLATES FOR 1911 DS SPRINGFIELD ARMORY RMR RED DOT

## Introduction

Thank you for choosing the Agency Optic System (AOS) Mounting Plates for your 1911 DS Springfield Armory. This product is designed to enhance your shooting experience by providing a reliable platform for mounting optics. To ensure your safety and the optimal performance of your product, please read this guide carefully.

## General Safety Guidelines

- Ensure that the mounting plates are compatible with your specific 1911 DS model.
- Always handle firearms with care and follow all safety protocols.
- Keep the mounting plates and screws out of reach of children.
- Regularly inspect the mounting plates for any signs of wear or damage before each use.
- Do not modify the mounting plates or screws in any way.

## Specific Safety Precautions for Use

- Always ensure that the firearm is unloaded before installing or removing the mounting plate.
- Use only the screws provided with the AOS mounting plates to ensure proper fit and safety.
- Do not overtighten screws, as this may damage the mounting plate or your firearm.
- Be aware of your surroundings and ensure a safe shooting area when using the firearm.
- If you experience any issues with the mounting plates or if they become damaged, cease use immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### Installation Steps

#### 1. Prepare Your Firearm:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove any existing optics or sights that may interfere with the installation.

#### 2. Position the Mounting Plate:

- Align the AOS mounting plate with the designated mounting area on your 1911 DS.
- Ensure that the integral rear sight is properly positioned.

#### 3. Attach the Mounting Plate:

- Using the screws provided, secure the mounting plate to the firearm.
- Handtighten the screws until snug, then use a torque wrench to tighten to the manufacturer's specifications, if applicable. Do not overtighten.

#### 4. Final Checks:

- Verify that the mounting plate is securely attached and that there is no movement.
- Check that the rear sight is aligned properly for accurate shooting.

## **Usage Instructions**

- When using your firearm with the AOS mounting plate, ensure that your optic is securely mounted and adjusted for your sight preferences.
- Regularly check the mounting plate and screws for tightness and condition before each use.
- Follow all standard firearm safety practices during operation.

## **Disposal Instructions**

When disposing of the AOS mounting plates or any associated components, please follow these guidelines:

- Do not dispose of in regular household waste.
- Check local regulations for proper disposal methods for metal components.
- If the product is damaged or no longer usable, consider recycling options for the metal parts.

## **Contact Information for Further Support**

For any safety inquiries or further assistance, please refer to your local authorized dealer or the manufacturer's website for additional resources.

Thank you for your attention to these safety guidelines. Your safety and satisfaction are our top priorities. Enjoy your shooting experience with the Agency Optic System (AOS) Mounting Plates!
