# AK Alpha Series MLOK Handguards Safety Instructions

## Introduction

Thank you for purchasing the AK Alpha Series MLOK Handguards by Midwest Industries. This guide provides essential safety instructions and guidelines to ensure the safe use and installation of your handguard. Please read this document carefully before using the product.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always handle firearms and firearm accessories with care, following all safety protocols.
- Keep the handguard and all firearm accessories out of reach of children and unauthorized users.
- Regularly inspect the handguard for any signs of wear or damage before use.
- If you notice any defects or issues, discontinue use immediately and seek assistance.

## Specific Safety Precautions for Use

- Before installation, ensure the firearm is unloaded and the chamber is clear.
- Avoid using the handguard with firearms that are not compatible, specifically milled receiver firearms and Yugo variants.
- Be cautious of sharp edges during installation and handling.
- Ensure that the handguard is securely attached to the firearm to prevent any accidental detachment during use.
- Use only compatible accessories and attachments as specified in the product description.
- Be mindful of the heat generated during firing; the handguard is equipped with a heat shield but can still become hot.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is unloaded and the chamber is clear.
- Gather necessary tools for installation (if required).

### 2. Installation:

- Remove the existing handguard from the firearm according to the manufacturer's instructions.
- Align the AK Alpha Series MLOK Handguard with the firearm's receiver.
- Securely attach the handguard, ensuring it fits snugly without forcing it into place.
- Check that all contact points are secure and that the handguard does not move or wobble.

### 3. Usage:

- Once installed, familiarize yourself with the handguard's features, including QD points for sling attachments.
- When using the handguard, maintain proper firearm handling practices.
- Regularly check the attachment points to ensure they remain secure during use.

### 4. PostUse:

- After use, inspect the handguard for any signs of damage or wear.

- Clean the handguard according to the manufacturer's recommendations to maintain its condition.

## **Disposal Instructions**

- Dispose of the handguard in accordance with local regulations.
- Do not dispose of the handguard in household waste if it is damaged or contains hazardous materials.
- Consider recycling options for aluminum components where available.

## **Contact Information for Further Support**

For any inquiries regarding safety, installation, or product performance, please refer to the manufacturer's customer service resources or your point of purchase.

We appreciate your commitment to safety and responsible firearm use. Thank you for choosing Midwest Industries.
