Safety Instruction Guide for WIFI Flexible Rifle Borescope 45" W/WIFI Adaptor for iOS

Introduction

Thank you for choosing the WIFI Flexible Rifle Borescope 45" with WIFI Adaptor for iOS. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your product. Please read this document carefully before using the borescope to understand potential hazards and how to avoid them.

General Safety Guidelines

- Always follow the manufacturer's instructions for safe use.
- Ensure the product is used only for its intended purpose.
- Keep the device out of reach of children and vulnerable individuals.
- Regularly inspect the borescope and its components for any signs of damage.
- Do not use the product if any part is damaged or malfunctioning.
- Avoid exposing the borescope to extreme temperatures, moisture, or direct sunlight.
- Store the device in a safe and dry place when not in use.

Specific Safety Precautions for Use

- **Electrical Safety:**
 - Ensure that the USB connector is plugged into a compatible power source.
 - Avoid using the device in wet or damp conditions to prevent electrical hazards.
- **Image Capture:**
 - Do not attempt to capture images or videos in hazardous environments where visibility is poor.
- **Probe Handling:**
 - Handle the flexible probe gently to avoid bending or damaging it.
 - Do not force the probe into tight spaces as this may lead to damage or injury.
- **Battery Safety:**
 - Do not attempt to replace the builtin battery yourself. Contact a qualified technician for assistance.
 - Avoid exposing the device to high temperatures while charging.

Instructions for Installation and Usage

1. Installation:

- Connect the WIFI adaptor to the borescope.
- For iOS devices, ensure that the appropriate app is downloaded and installed.
- For Windows and OSX, connect the borescope using the USB wired connection.

2. Usage:

- Turn on the borescope and select the desired connection method (WIFI for iOS and USB for Windows/OSX).
- Follow the onscreen instructions in the app for connecting to the borescope.
- Use the LED ring light to illuminate the area being inspected.
- Capture images and videos as needed, ensuring to keep the probe steady.

Disposal Instructions

- Dispose of the device in accordance with local regulations for electronic waste.
- Do not dispose of the device in regular household waste.

- Remove batteries (if applicable) before disposal and recycle them separately.

Contact Information for Further Support

For any questions or concerns regarding the safety and use of your WIFI Flexible Rifle Borescope, please refer to the manufacturer's contact information provided in the product packaging or user manual.

Conclusion

By following these safety guidelines and precautions, you can ensure a safe and effective experience with your WIFI Flexible Rifle Borescope. Always prioritize safety and reach out for support when needed. Thank you for your attention to these important instructions.
