Safety Instruction Guide for WIFI Rigid Rifle Borescope 26" for iOS

Introduction

Thank you for choosing the WIFI Rigid Rifle Borescope 26" for iOS by Teslong. This guide provides essential safety instructions and usage information to ensure safe and effective operation of your borescope. Please read this guide carefully before use.

General Safety Guidelines

- Ensure the product is used only for its intended purpose.
- Keep the borescope and its accessories out of reach of children and pets.
- Regularly inspect the device and its components for any signs of damage or wear.
- Avoid using the device in wet or damp conditions to prevent electrical hazards.
- Do not attempt to disassemble or repair the device yourself; contact a qualified technician for repairs.
- Always follow local regulations regarding the use of electronic devices.

Specific Safety Precautions for Use

- **Electrical Safety:**
 - Use the device with the provided power sources only.
 - Do not expose the device to extreme temperatures or direct sunlight.
- **Optical Safety:**
 - Avoid direct eye contact with the camera lens when the light source is on.
 - Do not use the borescope to inspect areas that may contain hazardous materials.
- **Physical Safety:**
 - Handle the borescope with care to avoid dropping or damaging it.
 - Ensure that the probe is inserted gently to avoid damage to the inspected surface.

Instructions for Installation and Usage

- **Installation:**
 1. Remove the borescope and all accessories from the packaging.
 2. Ensure the borescope is fully charged before use.
 3. Connect the WiFi adapter to the camera as per the included instructions.
 4. For Windows and OSX users, connect the USB cable to the appropriate port.
- **Usage:**
 1. Power on the device and select the appropriate connection type (WiFi for iOS/Android or USB for Windows/OSX).
 2. Download the recommended app on your device to access the camera feed.
 3. Carefully insert the probe into the area you wish to inspect.
 4. Use the LED ring light to illuminate dark areas for better visibility.
 5. Capture images or record video as needed using the app interface.

Disposal Instructions

- Do not dispose of the device with regular household waste.
- Follow local regulations for the disposal of electronic devices.
- Consider recycling options available in your area.

Contact Information for Further Support

For any inquiries regarding safety or product issues, please refer to the contact information provided on the packaging or the manufacturer's website.

By following these safety guidelines and instructions, you can ensure a safe and effective experience with your WIFI Rigid Rifle Borescope 26" for iOS. Thank you for your attention to these important safety measures.
