# Safety Instruction Guide for SMITH & WESSON SDVE FlatFaced Action Enhancement Kit

## Introduction

Thank you for choosing the Apex FlatFaced Action Enhancement Kit for your Smith & Wesson SDVE and SD model pistols. This guide provides essential safety information, installation instructions, and guidelines for the safe use of this product in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose as outlined in this guide.
- Always handle firearms and related accessories with care and in accordance with local laws and regulations.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the product for wear or damage before use.
- Report any unsafe products or incidents to the relevant authorities.
- Stay informed about any recall updates through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Before installation, ensure that the firearm is unloaded and pointed in a safe direction.
- Do not attempt to install or modify the trigger assembly unless you are fully knowledgeable about firearm safety and maintenance.
- Always wear appropriate eye protection when working on firearms.
- Ensure that all parts are compatible with your specific model of Smith & Wesson SD9, SD40, SD9VE, or SD40VE.
- If you encounter any issues during installation or use, cease operation immediately and seek professional assistance.

## Instructions for Installation and Usage

### 1. Preparation

- Gather all necessary tools and components: Apex FlatFaced Action Enhancement Polymer Trigger, Apex Trigger Return Spring, Apex Sear Spring, Apex Striker Block Spring, Apex Striker Spring.
- Ensure your workspace is clean and welllit.

### 2. Installation Steps

#### ◦ Remove the Factory Trigger:

- Ensure the firearm is unloaded.
- Disassemble the firearm following the manufacturer's instructions.
- Carefully remove the factory hinged trigger.

#### ◦ Install the Apex FlatFaced Trigger:

- Insert the Apex FlatFaced Action Enhancement Polymer Trigger into the trigger housing.
- Secure the trigger with the provided Apex Trigger Return Spring, ensuring it is properly seated.

#### ◦ Install Springs:

- Replace the factory Sear Spring with the Apex Sear Spring.
- Install the Apex Striker Block Spring and Apex Striker Spring as per the installation guide.

### 3. Final Checks:

- Reassemble the firearm according to the manufacturer's instructions.
- Conduct a function check to ensure the trigger operates smoothly and safely.
- If any issues arise, consult a qualified gunsmith.

## Disposal Instructions

- Dispose of all packaging materials in accordance with local waste disposal regulations.
- If the product becomes damaged or unusable, dispose of it responsibly, ensuring that it does not pose a risk to others.

## Contact Information for Further Support

For any questions or concerns regarding the Apex FlatFaced Action Enhancement Kit, please refer to the contact information provided by the manufacturer or your point of purchase.

This guide is designed to ensure your safety and the proper functioning of your product. Always prioritize safety and seek professional assistance when needed. Thank you for your attention to these important guidelines.
