# Safety Instruction Guide for SMITH & WESSON SDVE FlatFaced Action Enhancement Kit

## Introduction

Thank you for choosing the Apex FlatFaced Action Enhancement Kit for your Smith & Wesson SDVE and SD model pistols. This guide provides essential safety instructions and information to ensure the safe use and installation of your product in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always handle firearms and firearm accessories with care and respect.
- Ensure the product is compatible with your specific pistol model.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the product for any signs of damage or wear before use.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about recall updates through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Only use the Apex FlatFaced Action Enhancement Kit in Smith & Wesson SD9, SD40, SD9VE, and SD40VE models.
- Ensure the firearm is unloaded before installation or any maintenance work.
- Follow all local laws and regulations regarding firearm modifications.
- Use proper tools and safety equipment during installation.
- If you are unsure about the installation process, seek assistance from a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure you have all components of the kit:
  - Apex FlatFaced Action Enhancement Polymer Trigger
  - Apex Trigger Return Spring
  - Apex Sear Spring
  - Apex Striker Block Spring
  - Apex Striker Spring
- Gather necessary tools: screwdrivers, pliers, and a clean workspace.

### 2. Installation Steps

- **Safety First:** Make sure the firearm is unloaded and pointed in a safe direction.
- **Remove Factory Trigger:**
  - Disassemble your firearm according to the manufacturer's instructions.
  - Carefully remove the factory hinged trigger.
- **Install New Trigger:**
  - Insert the Apex FlatFaced Action Enhancement Polymer Trigger into the trigger housing.
  - Attach the Apex Trigger Return Spring, ensuring it is seated correctly.
  - Install the Apex Sear Spring, Apex Striker Block Spring, and Apex Striker Spring in their designated positions.
- **Reassemble Firearm:**
  - Follow the manufacturer's instructions to reassemble your firearm.
  - Conduct a function check to ensure proper operation.

### **3. PostInstallation Check**

- Test the trigger pull and reset to confirm smooth operation.
- Inspect for any misalignments or unusual resistance.

## **Disposal Instructions**

- Dispose of any packaging materials and unused components responsibly.
- Follow local regulations for the disposal of firearm parts and accessories.
- Do not dispose of the product in household waste. Instead, contact local waste management services for guidance.

## **Contact Information for Further Support**

For any inquiries regarding safety or product information, please consult the relevant authorities or your local firearms dealer. Ensure that you have the product information available for reference.

Thank you for prioritizing safety and for your commitment to responsible firearm ownership.
