

# **CZ SCORPION EVO OVERMOLDED ENHANCED GRIP - STRIKE INDUSTRIES CZ SCORPION EVO OVERMOLDED ENHANCED PISTOL GRIP**

[Rifle Parts](#) > [Grip Parts](#) > [Pistol Grips](#)

The Strike Industries Overmolded Enhanced Pistol Grip for CZ Scorpion comes with a rubberized texture in a 15-degree grip angle to improve control and increase comfort over the CZ factory grip. Similar to the SI Pistol Grip for CZ Scorpion EVO, but now available with a rubberized overmolded surface which enhances the comfort of gripping your weapon. The grip features a comfortable beaver tail and secure storage underneath that is compatible with the optional (sold separately) Strike Pistol Grip Plug Tool Holder Insert where tools or CR2032 battery (not waterproof) can live. Made from durable and lightweight polymer with all the hardware included, this drop-in Strike Industries Overmolded Enhanced Pistol Grip is a perfect pairing with the SI Selector Switch for CZ Scorpion EVO (sold separately) and will give you improved ergonomics over the originally designed CZ factory parts and especially no pinched fingers. Also compatible with the CZ Scorpion 3+.

**Product Features:** Rubberized overmolded grip improves control and increases comfort 15-degree grip angle Pair with SI Selector Switch for CZ Scorpion EVO for better ergonomics, no pinched fingers Pistol Grip Plug compatible with Strike Pistol Grip Plug Tool Holder Insert where tools or CR2032 battery (not waterproof) can live Made from durable and lightweight polymer Drop-in installation with all hardware included **Package Contents:** x1 Overmolded Enhanced Pistol Grip for CZ Scorpion x1 Pistol Grip Plug (compatible with Strike Pistol Grip Plug Tool Holder Insert) x1 Set screw (M4x29mm) x1 Gap filler (for lower receiver set screw hole) x1 Torx key [T20] x1 Loctite® Threadlocker Blue 243®

# Safety Instruction Guide for CZ Scorpion EVO Overmolded Enhanced Grip

## Introduction

Thank you for choosing the Strike Industries Overmolded Enhanced Pistol Grip for your CZ Scorpion EVO. This guide provides essential safety instructions to ensure the safe use and installation of the product. Please read this guide carefully before using the product to maximize your safety and enjoyment.

## General Safety Guidelines

- Ensure that the product is suitable for your firearm model (CZ Scorpion EVO).
- Always handle firearms responsibly and in accordance with local laws and regulations.
- Keep the grip and firearm out of reach of children and unauthorized individuals.
- Regularly inspect the grip for any signs of wear or damage before use.
- If you notice any irregularities or defects, discontinue use immediately and contact a qualified professional.

## Specific Safety Precautions for Use

- Always ensure the firearm is unloaded before installing or handling the grip.
- Avoid using the grip in wet or slippery conditions to prevent loss of control.
- Be aware of your surroundings and ensure that you are in a safe environment when handling your firearm.
- Use caution when storing tools or batteries in the grip storage compartment, as they may pose a choking hazard if accessed by children.
- Do not modify the grip or the firearm in any way that could compromise safety or functionality.

## Instructions for Installation and Usage

1. **Preparation:** Ensure that your CZ Scorpion EVO is unloaded and that you have all necessary tools available, including the provided Torx key and set screw.
2. **Remove the Existing Grip:**
  - Locate the screws securing the factory grip to the firearm.
  - Use the appropriate tool to remove these screws and detach the factory grip.
3. **Install the Overmolded Enhanced Grip:**
  - Align the new Overmolded Enhanced Grip with the mounting points on the firearm.
  - Insert the provided set screw (M4x29mm) through the grip and into the mounting point.
  - Tighten the screw securely using the Torx key, ensuring a snug fit without overtightening.
4. **Check Compatibility:**
  - If using the optional Strike Pistol Grip Plug Tool Holder Insert, ensure it fits securely into the grip's storage compartment.
5. **Final Inspection:**
  - Inspect the installation to confirm that the grip is securely attached and that there are no loose parts.
  - Ensure that the grip's beaver tail fits comfortably against the firearm's lower receiver.

## Disposal Instructions

- Dispose of any packaging materials in accordance with local recycling regulations.
- If the grip is damaged or no longer usable, dispose of it in a manner that prevents accidental injury, preferably at a designated waste facility.
- Batteries should be disposed of according to local regulations for hazardous waste.

## **Contact Information for Further Support**

For any inquiries or concerns regarding safety, installation, or product performance, please contact the manufacturer or visit their official website for assistance.

Thank you for your attention to these safety guidelines. Your safety and the safety of those around you is paramount when using firearms. Enjoy your enhanced grip and improved control with the Strike Industries Overmolded Enhanced Pistol Grip for CZ Scorpion EVO.
