

# **CZ SCORPION EVO MAGWELL - STRIKE INDUSTRIES CZ SCORPION EVO MAGWELL**

[Home](#)

The Strike Industries Magwell for CZ Scorpion EVO is a flared design specifically for Scorpion EVO pistols and carbines to provide easier magazine insertion for fast reliable reloading while adding SI styling. The benefit of adding a funnel-like magwell to help prevent the dreaded reload bobble outweighs the added material of this lightweight SI Magwell. With the addition of an increased radial edge in front of receiver, this magwell aids in improving grip support for the offhand. This magwell is made of high-strength impact resistant custom blended SI Polymer Extreme material. Add consistency and cut fractions of seconds off your reloads now with the Strike Industries Magwell for CZ Scorpion EVO. Product Features: Flared magwell for easier magazine insertion Increased radial edge in front of receiver which can aid in improved grip support for offhand Ease of installation Lightweight High-strength impact resistant custom blended SI Polymer Extreme material Package Contents: x1 Magwell for CZ Scorpion EVO x1 Set screw (M4x40mm) x1 Nut (M4) x1 Hex key [M3] x1 Loctite® Threadlocker Blue 243® x1 Warning card

# CZ Scorpion EVO Magwell Safety Instruction Guide

## Introduction

Thank you for choosing the Strike Industries Magwell for your CZ Scorpion EVO. This guide provides essential safety information, installation instructions, and proper usage guidelines to ensure a safe and effective experience with your new product.

## General Safety Guidelines

- Ensure safe use of the magwell by following the instructions in this guide.
- Always handle the magwell and your firearm with care to prevent accidents.
- Be aware of potential hazards associated with improper handling or installation.
- Keep the magwell and any firearm components out of reach of children and vulnerable individuals.
- Regularly inspect the magwell for signs of wear or damage before use.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always ensure the firearm is unloaded before installing or handling the magwell.
- Do not modify the magwell or any firearm components, as this may compromise safety.
- Use only compatible magazines with the CZ Scorpion EVO and the Strike Industries Magwell.
- Avoid using the magwell in adverse conditions (e.g., extreme temperatures, moisture) that may affect performance.
- Follow all local laws and regulations regarding firearm modifications and accessories.
- If you experience any issues during installation or use, cease operation immediately and consult a qualified professional.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and safe to handle.
- Remove any existing magwell, if applicable.
- Align the Strike Industries Magwell with the receiver of the CZ Scorpion EVO.
- Secure the magwell using the provided set screw (M4x40mm) and nut (M4).
- Tighten the set screw using the included hex key [M3].
- Apply a small amount of Loctite® Threadlocker Blue 243® to the set screw to prevent loosening over time.
- Allow the threadlocker to cure as per manufacturer instructions before using the firearm.

### 2. Usage:

- When reloading, ensure that the magazine is correctly aligned with the magwell.
- Use a firm and steady motion to insert the magazine into the magwell.
- Practice reloading in a safe environment to develop familiarity with the magwell's functionality.
- Regularly check the stability and security of the magwell during use.

## **Disposal Instructions**

- Dispose of the magwell and any packaging materials responsibly.
- Follow local regulations for the disposal of plastic and polymer materials.
- If the magwell is damaged or no longer usable, consider recycling options if available.

## **Contact Information for Further Support**
