

# AR308 ENHANCED LOWER PARTS KIT, NO TRIGGER, HAMMER, DISCONNECTOR - STRIKE INDUSTRIES AR 308 ENHANCED LOWER PARTS KIT W/O FCG

[Home](#)

The Strike Industries AR-10 Enhanced Lower Receiver Parts Less Trigger, Hammer and Disconnecter includes most of the necessary parts to build (or enhance/upgrade) a lower receiver minus the trigger group, pistol grip and trigger guard for those lowers that don't have one built-in. This kit includes all the basics that you will need to build out a new lower and a perfect pairing with the many various style SI AR Grips available. Reuse an existing AR trigger group or the freedom to pick your own AR trigger you rather have and not get stuck with a plane jane Mil-Spec trigger will just collect dust in a drawer somewhere. However, the hammer and trigger springs along with pins are included in the bag. The Strike Industries AR-10 Enhanced Lower Receiver Parts Trigger, Hammer and Disconnecter includes SI signature enhanced lower parts like the bolt catch, magazine release, pivot/takedown pins and HEX Selector Switch that offers both a 60 or 90-degree angles 3 in1 combo, no other lower parts kit (LPK) on the market gives you the most bang for your buck. Product Features: Includes SI's signature Enhanced Lower Parts: Strike AR-10 Enhanced Bolt Catch Strike Magazine Catch - Black SI Extended Pivot / Takedown Pins HEX Selector Switch 60/90 degree 3 in 1 Freedom to pick your own AR trigger group (AR hammer and trigger springs + pins are included) COMPATIBILITY: AR-10, DPMS/LR308, SR-25 lower receivers Aero Precision M5 lower receivers have slight generation differences. Due to generation versions and tolerances, newer gen M5 lowers fit rear takedown pin slightly better than older gen M5. NOT COMPATIBLE: ArmaLite AR-10® Some billet lower receivers due to no Mil-Spec standard AR-15: Bolt Catch, Bolt Catch Roll Pin, Pivot Pin and Takedown Pin are not compatible with AR-15 lower receivers NOTE: Due to no Mil-Spec standards for the AR-10 platform, some parts will still function as intended but may have slight movement

# Safety Instruction Guide for AR308 Enhanced Lower Parts Kit

## Introduction

Thank you for choosing the Strike Industries AR308 Enhanced Lower Parts Kit. This guide provides essential safety instructions and guidelines to ensure the safe use of this product. Please read this document carefully before installation and use.

## General Safety Guidelines

- **Product Safety:** Ensure that all parts are used as intended. This kit is designed for nonfood use and should be handled with care.
- **Enhanced Recalls:** Stay informed about any recalls related to this product. If a recall occurs, follow the instructions provided to remedy the situation.
- **Online Shopping:** If purchased online, ensure that the platform adheres to safety protocols similar to those found in physical stores.
- **Special Consumer Focus:** This product is not intended for use by children. Store it out of reach of minors.
- **EU Contact Point:** For any safety inquiries, please refer to the designated EU contact point for this product.
- **Rapid Alerts:** Stay updated on any safety alerts regarding this product through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Hazard Identification:**
  - Improper installation may lead to malfunction or injury.
  - Ensure that all components are compatible with your lower receiver.
  - Handle all parts with care to avoid injury from sharp edges or small components.
- **Avoiding Hazards:**
  - Always wear safety glasses when handling or installing firearm components.
  - Keep the work area clean and free from distractions while assembling the lower parts kit.
  - Do not attempt to modify any parts unless you are a qualified gunsmith.
- **AgeSpecific Warnings:**
  - This product is intended for use by adults only. Ensure that minors are not allowed to handle or use this kit.

## Instructions for Installation and Usage

- **Installation:**
  1. **Preparation:**
    - Gather all necessary tools, including a punch set, hammer, and safety glasses.
    - Ensure that your workspace is clean and welllit.

## 2. Component Check:

- Verify that all parts listed in the kit are present before starting the installation.
- Inspect each part for any damage or defects. Do not use damaged parts.

## 3. Assembly Steps:

- Follow the manufacturer's instructions carefully for each component.
- Install the bolt catch, magazine release, and pivot/takedown pins as per the guidelines provided with the kit.
- Ensure that the HEX Selector Switch is installed securely and functions properly.

## 4. Final Checks:

- After installation, perform a function check to ensure everything operates correctly.
- Make sure that the lower receiver is compatible with the upper receiver and other components.

### • Usage:

- Always follow safe firearm handling practices when using your assembled lower receiver.
- Regularly inspect your firearm for any signs of wear or damage.

## Disposal Instructions

- Dispose of any packaging materials in accordance with local waste management regulations.
- If you need to dispose of any defective or unused parts, contact your local waste disposal service for guidance on proper disposal methods.

## Contact Information for Further Support

For further assistance or inquiries regarding this product, please refer to the designated EU contact point for safety information.

**Note:** This safety instruction guide is intended to provide essential information for the safe use of the AR308 Enhanced Lower Parts Kit. Always prioritize safety and follow all guidelines to ensure a safe and enjoyable experience.
