Safety Instruction Guide for LAMINATE GRIPS FOR RUGER MARK IV 22/45 VOLQUARTSEN

Introduction

Thank you for choosing the LAMINATE GRIPS FOR RUGER MARK IV 22/45 by VOLQUARTSEN. These grips are designed to enhance your shooting experience by providing a comfortable and secure hold. This safety instruction guide is intended to inform you about the safe use, installation, and maintenance of your new grips, in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that the grips are compatible with your Ruger Mark IV 22/45 model before installation.
- Always handle firearms with care and ensure they are unloaded when installing or adjusting grips.
- Keep the grips out of reach of children and vulnerable individuals.
- Regularly inspect the grips for any signs of wear or damage.
- Use the grips only for their intended purpose.

Specific Safety Precautions for Use

- **Installation Safety:**
 - Use only the provided allen head screws for installation.
 - Do not overtighten screws as this may damage the grips or the firearm.
- **Handling Safety:**
 - Always ensure the firearm is pointed in a safe direction when handling.
 - Maintain a firm grip on the firearm while shooting to prevent slippage.
- **Maintenance Safety:**
 - Clean the grips with a soft cloth to avoid damage.
 - Do not use harsh chemicals or solvents that may harm the wood finish.
- **Environmental Safety:**
 - Avoid exposing the grips to extreme temperatures or moisture, which may affect their integrity.

Instructions for Installation and Usage

1. Preparation:

- Ensure your Ruger Mark IV 22/45 is unloaded and pointed in a safe direction.
- Gather the necessary tools, including the provided allen head screws and an appropriate allen wrench.

2. Installation Steps:

- Remove the existing grips from your firearm by unscrewing them using the allen wrench.
- Align the new laminate grips with the firearm, ensuring that the thumb rest and finger grooves are positioned correctly.
- Secure the grips in place by inserting the provided allen head screws and tightening them gently. Ensure they are snug but do not overtighten.
- Check that the grips are securely attached and do not wobble.

3. Usage:

- Once installed, practice holding the firearm with the new grips to familiarize yourself with the feel and comfort.

- Ensure a proper grip during shooting for safety and accuracy.

Disposal Instructions

- Dispose of any packaging materials responsibly by recycling where possible.
- If the grips become damaged beyond repair, contact your local waste management for proper disposal methods.
- Do not burn the grips as they are made from laminated wood which may release harmful substances when incinerated.

Contact Information for Further Support

For any inquiries regarding safety or product support, please refer to the manufacturer's contact information or your point of purchase.

Conclusion

Following these safety guidelines will help ensure a safe and enjoyable experience with your LAMINATE GRIPS FOR RUGER MARK IV 22/45. Remember to prioritize safety at all times when handling firearms and their accessories. Thank you for your attention to these important safety measures.
