

OPTIC MOUNTING PLATE FOR FN 509 - FORWARD CONTROLS

DESIGN FN 509 OPTIC MOUNTING PLATE

[Optics & Mounting](#) > [Electronic Sights](#) > [Mounting Hardware](#)

OPF-FN509T, RMR is a solid state (one piece), steel plate designed for the FN 509 Tactical and FN 509 MRD. OPF-FNT09T, RMR is a one piece, billet machined plate for RMR/SRO, it is not guaranteed to work with non-Trijicon sights that have the RMR footprint. The way FN has designed the optics plate for the 509 Tactical is rather unusual to us, it consists of a MIM or cast steel plate with lugs for the RMR, and a larger plastic piece sans any lugs or means to prevent the sight from moving laterally. Factory FN 509 Tactical sights remain compatible with OPF-FN509T, RMR and provide lower 1/3 co-witnessing. OPF-FN509T, RMR includes the adapter plate, 2 6-40 x 1/2 T10 screws (same spec as the plates/screws packet included in the 509 Tactical, the FN supplied screws also work on OPF-509T, RMR plate), a packet of VC-3 thread locker, and a T10 key. A proper torque wrench is required to impart the correct torque value to the mounting screws. Torque value for the 6-40 x 1/2 T10 screws is 12 to 13 in lbs. Proudly designed and made in the USA.

Attributes

- Name: [FORWARD CONTROLS DESIGN FN 509 OPTIC MOUNTING PLATE](#)
- Manufacturer: [FORWARD CONTROLS DESIGN](#)
- Product no.: 430103574
- Mfr. No.: OPF-FN509T, RMR
- Colour: Black
- Fits / Used For: Trijicon SRO, Trijicon RMR
- Height: 0.31"
- Model: 509T
- Weapon type: FN
- Weight: 1.3 lbs
- Delivery weight: 0.93kg
- Shipping height: 20mm
- Shipping width: 83mm
- Shipping length: 140mm
- UPC: 697566711060

Safety Instruction Guide for OPTIC MOUNTING PLATE FOR FN 509

Introduction

Thank you for choosing the OPTIC MOUNTING PLATE FOR FN 509 from FORWARD CONTROLS DESIGN. This guide provides important safety instructions and usage information to ensure your product is used safely and effectively. Please read this guide carefully before installation and use.

General Safety Guidelines

- Ensure that the product is used as intended and in accordance with the manufacturer's instructions.
- Always handle the optic mounting plate with care to avoid any injuries.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage.
- If you notice any defects or issues, discontinue use immediately and seek assistance.

Specific Safety Precautions for Use

- **Compatibility:** Ensure that the optic mounting plate is compatible with your specific model of FN 509 Tactical or FN 509 MRD. The plate is designed for use with Trijicon RMR and SRO sights.
- **Installation:** Follow the installation instructions carefully to avoid improper mounting which could lead to accidents.
- **Torque Specifications:** Use a proper torque wrench to apply the correct torque value of 12 to 13 in lbs when securing the mounting screws. Overtightening or undertightening can compromise safety.
- **Inspection:** After installation, check that the optic is securely attached and does not move laterally.
- **Usage:** Always ensure that your firearm is pointed in a safe direction when handling the optic mounting plate or making adjustments.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools, including a torque wrench and T10 key.
- Ensure you have the adapter plate and screws provided with the product.

2. Installation Steps:

- Remove any existing optic from your FN 509 Tactical or FN 509 MRD.
- Align the OPFFN509T, RMR plate with the mounting lugs on the firearm.
- Secure the plate using the provided 640 x 1/2 T10 screws.
- Use the torque wrench to tighten the screws to the specified torque value of 12 to 13 in lbs.
- Inspect the installation to ensure that the optic is secure and properly aligned.

3. PostInstallation Check:

- Once installed, check the optic for stability and ensure that it does not shift or move during use.
- Conduct a function check to ensure that the firearm operates safely with the installed optic.

Disposal Instructions

- Dispose of the product in accordance with local regulations for metal and plastic waste.
- Do not dispose of the product in regular household waste.

- If you are unsure about disposal methods, contact local waste management authorities for guidance.

Contact Information for Further Support

For any questions or concerns regarding the OPTIC MOUNTING PLATE FOR FN 509, please refer to the contact information provided with your product packaging or visit the manufacturer's website.

Thank you for taking the time to read this safety instruction guide. Your safety is our priority, and we appreciate your commitment to using our product responsibly.
