# OPTICS INTERFACE PLATE FOR S&W M&P 2.0 - SMITH & WESSON M&P 2.0 OPTICS INTERFACE PLATE

Optics & Mounting > Electronic Sights > Mounting Hardware

Precision machined in 4140 and black nitride coated, OPF-SW, ACRO is the latest collaboration between Tangodown and Forward Controls. Continuing the tradition of reliable duty grade, precision machined steel optics interface plates in both companies' line up, OPF-SW, ACRO is made for Smith & Wesson M&P CORE 2.0 pistols. Tight tolerances reduce the plate's movement on the slide, and the sight's movement on the plate, but that alone sometimes isn't enough. For older sights like RMR that have fairly loose tolerances, the fences on the plate are designed to cradle it and hold it immobile. Newer sights like DPP and RMRcc don't need the fences, Forward Controls Design still incorporate them whenever possible. Torque value for included 6-32 x ½ T15 plate to slide screws: 13 to 15 in ·lb. Torque value for Aimpoint ACRO P1/P2: 26 in ·lb. Torque value for Steiner MPS: 13 to 22 in ·lb. Weight: 1.49 oz Material: 4140 Steel; black nitride coated Made in USA.

#### **Attributes**

Name: SMITH & WESSON M&P 2.0 OPTICS INTERFACE PLATE

Manufacturer: FORWARD CONTROLS DESIGN

Product no.: 430103594Mfr. No.: OPF-SW, ACRO

Color: Black

• Fits / Used For: Aimpoint ACRO P2

• Height: 0.9"

Make: Smith & WessonModel: M&P M2.0Weight: 1.47 lbs

Delivery weight: 0.907kg
Shipping height: 25mm
Shipping width: 83mm
Shipping length: 140mm
UPC: 697566711206

# Safety Instruction Guide for OPTICS INTERFACE PLATE FOR S&W M&P 2.0

#### Introduction

Thank you for choosing the OPTICS INTERFACE PLATE FOR S&W M&P 2.0. This guide provides essential safety instructions to ensure the correct and safe use of this product. Please read this guide carefully before installation and usage.

#### **General Safety Guidelines**

- Ensure that the product is suitable for your firearm model before use.
- Always follow the manufacturer's instructions for installation and usage.
- Inspect the product for any visible damage before installation. Do not use if damaged.
- Keep the product out of reach of children and unauthorized users.
- Report any unsafe conditions or incidents to the relevant authorities.
- Regularly check for product recalls or safety updates on the EU's Safety Gate platform.

#### **Specific Safety Precautions for Use**

- Installation Safety:
  - Ensure the firearm is unloaded before starting the installation.
  - Use appropriate tools as specified (e.g., T15 screwdriver) to avoid damaging the screws or plate.
- Usage Safety:
  - Regularly check the torque values of the screws to ensure they remain secure.
  - Avoid using sights that do not fit securely on the plate to prevent accidents.
- Maintenance Safety:
  - Clean the optics interface plate and surrounding areas regularly to prevent debris buildup that could affect performance.
  - Store the firearm and optics interface plate in a safe, dry place when not in use.

### Instructions for Installation and Usage

- 1. Gather Tools:
  - T15 screwdriver
  - 632 x 1/4 screws (included)

#### 2. Installation Steps:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove any existing optics or accessories from the firearm slide.
- Align the OPTICS INTERFACE PLATE with the mounting holes on the slide.
- Insert the 632 x 1/4 screws into the mounting holes.
- Use the T15 screwdriver to tighten the screws. Follow the torque values:
  - For the plate to slide screws: 13 to 15 in lb
  - For Aimpoint ACRO P1/P2: 26 in·lb
  - For Steiner MPS: 13 to 22 in lb
- Ensure the plate is securely mounted and does not move.

#### 3. **Usage**:

- Once installed, attach your preferred optics according to the manufacturer's instructions.
- Ensure all components are secure before use.

# **Disposal Instructions**

- Dispose of the OPTICS INTERFACE PLATE responsibly.
- Follow local regulations for the disposal of metal products.
- Do not dispose of the product in regular household waste.

# **Contact Information for Further Support**

For any questions or concerns regarding the OPTICS INTERFACE PLATE, please refer to the manufacturer's contact information included with the product packaging or visit the manufacturer's website for more details.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities.
