Introduction

Thank you for choosing the 2011 XLine Trigger from Atlas Gunworks. This guide provides essential safety instructions to ensure the safe and effective use of your new trigger system. Please read this manual carefully before installation and usage.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always follow the manufacturer's instructions for installation and usage.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Stay informed about any product recalls by checking the EU Safety Gate platform.

Specific Safety Precautions for Use

- **Adjustable Length:** When adjusting the length of the trigger, ensure the trigger shoe is securely attached to prevent accidental detachment during use.
- **PreTravel Adjustment:** Make sure the selflocking overtravel adjustment screw is properly set to avoid unintended trigger movements.
- **Installation:** Only install the trigger on compatible 2011 firearms. Refer to the manufacturer's guidelines for compatibility.
- **Usage:** Always ensure that the firearm is pointed in a safe direction when adjusting or handling the trigger.
- **Maintenance:** Regularly clean and maintain the trigger system to ensure optimal performance and safety.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing trigger from the firearm according to the manufacturer's instructions.
- Align the 2011 XLine Trigger with the trigger plate.
- Securely attach the trigger shoe using the threaded attachment.
- Adjust the length as needed by tuning the trigger shoe.

2. Usage:

- Familiarize yourself with the trigger's features before use.
- Practice safe handling techniques at all times.
- Adjust the pretravel and overtravel settings as necessary for your shooting preference.
- Always perform a function check before using the firearm with the new trigger installed.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste.
- Contact your local waste management authority for guidance on proper disposal methods.
