## Introduction

Thank you for choosing the Snag Free Front Sight for your 2020 Colt Python/Anaconda. This guide provides essential safety instructions and guidelines to ensure safe and effective use of your product. It is important that you read and understand these instructions before installation and use.

## General Safety Guidelines

- Always handle firearms with care and respect.
- Ensure the firearm is unloaded before installing or adjusting the front sight.
- Keep the product out of reach of children and unauthorized users.
- Inspect the sight for any visible damage before use.
- Use only compatible firearms as specified in this guide.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about recall updates through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure proper eye protection when handling firearms and installing sights.
- Avoid using the firearm in wet or slippery conditions that could affect handling.
- Do not attempt to modify or alter the front sight in any way.
- Always follow the manufacturer's instructions for installation and usage.
- Be aware of your surroundings and ensure a safe environment when using your firearm.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is unloaded.
- Gather necessary tools: a retention screw and wrench (supplied).

### 2. Installation:

- Remove the existing front sight from the firearm.
- Align the new Snag Free Front Sight with the sight base on the firearm.
- Secure the sight in place using the retention screw.
- Tighten the screw with the provided wrench until snug, but do not overtighten.

### 3. Usage:

- Familiarize yourself with the sight picture and alignment.
- Practice aiming and acquiring the target in various lighting conditions to optimize performance.
- Regularly check the sight for stability and alignment during use.

## Disposal Instructions

- Dispose of the product in accordance with local regulations regarding firearm accessories.
- Do not dispose of the product in regular household waste.
- Consider recycling any metal components where applicable.
