

# WING GRIP - LUTH-AR AR-15 WING PISTOL GRIP

[Rifle Parts](#) > [Grip Parts](#) > [Pistol Grips](#)

The Wing Grip™ is designed with shooter ergonomics in mind. The full palm swells fill the hand, providing a consistent and rapid grip, properly positioned to promote accurate and repeatable shots on target. The thumb rests and palm shelves work together to lock the hand in place shot after shot, while the raised trigger finger surface, forces the finger into the proper curved position for better trigger control and comfort. Features: Designed with wings on either side for enhanced support and handling leverage also doubling as thumb rests Ambidextrous grip with full palm swell Palm shelf for additional support Robust texture on side panels and backstrap for a non-slip grip Dual Freedom Flag panels for Maximum Freedom Made using 50 durometer Thermoplastic Vulcanizate for a tacky and slightly rubberized feel Designed by Luth-AR and made in the USA Includes: Screw Washer Installation Notes: Do not over tighten the screw, firmly tightening the screw is sufficient

# WING GRIP LUTHAR AR15 WING PISTOL GRIP Safety Instruction Guide

## Introduction

Thank you for choosing the Wing Grip™ for your AR15. This guide is designed to help you understand the safe use, installation, and disposal of your product in accordance with the EU General Product Safety Regulation (GPSR). It is essential to read and understand these instructions to ensure your safety and the proper functioning of the product.

## General Safety Guidelines

- Ensure safe use of the Wing Grip™ by following all instructions provided in this guide.
- Be aware of potential hazards associated with improper use of the grip.
- Regularly check for product recalls and safety updates on the EU's Safety Gate platform.
- If you encounter an unsafe product or accident, report it to the relevant authorities.
- Always keep the product out of reach of children and vulnerable individuals.

## Specific Safety Precautions for Use

- **Installation Safety:**
  - Do not overtighten the screw during installation. Firmly tightening is sufficient.
- **Grip Handling:**
  - Ensure your hands are clean and dry before gripping the firearm.
  - Always maintain a proper grip to avoid slippage during use.
- **Usage Environment:**
  - Use the Wing Grip™ in safe and controlled environments.
  - Avoid using the grip in wet or slippery conditions that may affect grip stability.
- **Age Restrictions:**
  - This product is intended for use by individuals aged 18 and older. Ensure that minors do not handle firearms equipped with this grip.

## Instructions for Installation and Usage

### 1. Installation:

- Gather required tools: a screwdriver and the included screw and washer.
- Align the Wing Grip™ with the designated area on your AR15.
- Insert the screw through the washer and into the grip.
- Firmly tighten the screw until the grip is secure. Do not overtighten.

### 2. Usage:

- Hold the grip firmly, ensuring your fingers are positioned correctly on the raised trigger finger surface.
- Utilize the thumb rests and palm shelves to maintain a stable grip during firing.
- Practice safe firearm handling at all times, following local laws and regulations.

## Disposal Instructions

- Dispose of the Wing Grip™ in accordance with local waste disposal regulations.
- If the product is damaged or no longer usable, ensure it is disposed of in a way that prevents accidental use.

- Recycle materials where possible, following local recycling guidelines.

## Contact Information for Further Support

For any safety inquiries or further assistance regarding the Wing Grip™, please refer to the product packaging or visit the manufacturer's website. Always ensure you are in contact with authorized representatives for any productrelated questions.

By following these safety instructions, you can ensure a safe and effective experience with your Wing Grip™. Thank you for prioritizing safety and compliance with the EU General Product Safety Regulation.
