

MK18 16" SUPER MODULAR RAILS M-LOK COMPATIBLE - GEISSELE AUTOMATICS MK18 16" SUPER MODULAR RAIL M-LOK/ARCA SWISS COMPATIBLE DDC

[Rifle Parts](#) > [Build Kits](#) > [Handguards & Rails](#)

The MK18 is the latest in the line of Geissele Super Modular rails and is specifically made to interface with the Arca-Swiss Quick Release System. This new handguard is based on the MK16 M-LOK Super Modular Rail, offering a small diameter and overall height creating a slim profile for competition shooters. The flat base of the MK18 features an "Arca-Style" 35mm wide form with a 45 degree dovetail, that allows quick mounting to an Arca-Swiss Quick Release mounting base, sliding into any position along the rail. The MK18 features Geissele's proprietary 2.25" long barrel nut that interfaces with the receiver and creates a platform that can be trusted to be straight and true the entire length of the free float rail. The 16" long MK18 is 3D precision machined using 7000 Series Aluminum due to its strong, rigid and lightweight properties. Utilizing Magpul's M-LOK technology at the major 3 quadrants (left, right and bottom), as well as the upper 45's gives the MK18 unprecedented modularity and ability to be customized. The MK18 Super Modular rail is finished in a durable and long lasting Type 3 Hardcoat Anodize available in either Black or Geissele's DDC finish. The Geissele Super Modular Rail MK18 is compatible with mil-spec AR15 pattern rifles. HEIGHT: 2.08 COLOR: Black or DDC MATERIAL: 7000 Series Aluminum FINISH: Type 3 Hardcoat Anodize LENGTH: 16" INNER DIAMETER: 1.26" OUTER DIAMETER: 1.59" SMR MK18 WEIGHT: 17oz (18.4oz w/ barrel nut)

MK18 16" Super Modular Rails Safety Instruction Guide

Introduction

Thank you for choosing the MK18 16" Super Modular Rails. This product is designed for use with AR15 pattern rifles and incorporates advanced technology for enhanced performance. This safety instruction guide provides essential information to ensure safe usage and compliance with EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that the MK18 rail is compatible with your firearm before installation.
- Always handle firearms responsibly and in accordance with local laws and regulations.
- Store the product in a safe place away from children and unauthorized users.
- Regularly inspect the MK18 rail for any signs of damage or wear.
- Report any unsafe conditions or incidents involving this product to the relevant authorities.
- Stay informed about product recalls or safety alerts by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Installation Precautions:**
 - Always use the appropriate tools as specified in the installation instructions.
 - Ensure that all screws and fittings are tightened securely to prevent loosening during use.
- **During Use:**
 - Do not exceed the manufacturer's recommended weight limit for accessories mounted on the rail.
 - Avoid exposing the rail to extreme temperatures or harsh chemicals that may affect its integrity.
- **Maintenance:**
 - Clean the MK18 rail regularly with a soft cloth to remove dirt and debris.
 - Inspect the rail for any signs of corrosion or damage, particularly after exposure to moisture.
- **Storage:**
 - Store the MK18 rail in a dry, cool place when not in use.
 - Avoid placing heavy objects on top of the rail during storage.

Instructions for Installation and Usage

1. Installation Steps:

- Ensure your firearm is unloaded and pointed in a safe direction.
- Remove the existing handguard from your firearm according to the manufacturer's instructions.
- Align the MK18 rail with the receiver and slide it into place.
- Secure the rail using the provided barrel nut, ensuring it is tightened to the manufacturer's specifications.
- Attach any accessories using the MLOK slots, ensuring they are securely fastened.

2. Usage Guidelines:

- The MK18 rail is designed for use with MLOK compatible accessories.
- Familiarize yourself with the placement of MLOK slots for optimal accessory positioning.
- Always verify that all mounted accessories are secure before use.

Disposal Instructions

- Dispose of the MK18 rail in accordance with local regulations for aluminum products.
- If the product is damaged beyond repair, recycle the aluminum components where facilities are available.
- Do not dispose of the product in regular household waste.

Contact Information for Further Support

For any safety inquiries or further assistance regarding the MK18 16" Super Modular Rails, please refer to the manufacturer's contact resources or your local authority.

By following these safety guidelines and instructions, you can ensure safe and effective use of your MK18 16" Super Modular Rails. Thank you for your attention to safety and responsible firearm handling.
